Executive Summary

AP-05 Executive Summary - 24 CFR 91.200(c), 91.220(b)

1. Introduction

The purpose of this the City of Danville’s Annual Action Plan for 2016-2017 is to verify the community needs and the market factors impacting the Danville community and to layout a plan for addressing those needs while outlining specific community development activities that will be carried out. This process is intended to assist in developing a viable community by providing decent housing, a suitable living environment, and expanded economic opportunities principally for the benefit of low and moderate income persons. This plan sets forth how Community Development Block Grant funds will be used to invest in the community to achieve the specific HUD objectives and outcome performance measures.

2. Summarize the objectives and outcomes identified in the Plan

This could be a restatement of items or a table listed elsewhere in the plan or a reference to another location. It may also contain any essential items from the housing and homeless needs assessment, the housing market analysis or the strategic plan.

The goals developed in the 5 year Consolidated Plan are presented in detail in SP-46 of that Plan. Specific projects to carry-out these goals are articulated in AP-15 through AP-90 of this Plan. The following summarizes the goals formulated in this Plan and the associated HUD objectives and outcomes:

Goal 1: Economic Development

Objective: Create Economic Opportunities

Outcome: Availability/Accessibility

Goal 2: Owner Occupied Housing Rehabilitation

Objective: Provide Decent Affordable Housing

Outcome: Availability/Accessibility

Goal 3: Blight Removal

Objective: Create Suitable Living Environments

Annual Action Plan
2016
Outcome: Sustainability

Goal 4:

Public Improvements & Infrastructure

Objective: Create Suitable Living Environments

Outcome: Sustainability

Goal 5: Non-Homeless Special Needs

Objective: Provide Decent Affordable Housing

Outcome: Availability/Accessibility

Goal 6: Homelessness

Objective: Create Suitable Living Environments

Outcome: Availability/Accessibility

3. **Evaluation of past performance**

This is an evaluation of past performance that helped lead the grantee to choose its goals or projects.

According to the 2014 Program Year End Review Letter, HUD determined that the City of Danville has the continuing capacity to administer Consolidated Plan covered programs. The City has no outstanding findings and its expenditure level on CDBG grant funding meets the requirements of the program.

In this Annual Action Plan the City of Danville is choosing to pursue most of the same goals as previously adopted and many of the same projects as previously funded due to the successes with these programs. At the same time, the City continues to evaluate how best to serve the increasing needs of the community with diminishing resources and thus new projects are also being proposed.

4. **Summary of Citizen Participation Process and consultation process**

Summary from citizen participation section of plan.

The City of Danville’s citizen participation process for the development of this plan followed the city’s adopted citizen participation plan. This included outreach hearings for the public and meetings designed to encourage input from a broad array of the community including public housing residents,
neighborhood associations, residents from predominately low and moderate income neighborhoods, the disabled, minorities, and non-English speaking individuals. Phone and email contacts were used to gain input from entities with specific expertise, including those specializing in housing, special needs, homelessness, and economic development. These efforts met and also exceeded the stated requirements of the citizen participation plan and provided meaningful input in establishing goals and projects for this plan.

5. **Summary of public comments**

This could be a brief narrative summary or reference an attached document from the Citizen Participation section of the Con Plan.

In the course of the public hearings and public meetings that were scheduled to gather citizen input on this Plan very little feedback was actually received. The primary source of comments came through individual consultations with the entities listed in AP-10 of this Plan under consultation. The comments received generally noted the need for improving the quality of the existing housing stock, removing blight, improving property values, and addressing crime in specific areas of the City. Comments also referenced emergency and transitional housing needs, homelessness needs, mental and physical health support, and further business and economic development support.

Public Comments received during the citizen participation process can be found in AP-12 which is the Citizen Participation section of this Plan.

Questions received during this process included inquiries on the process for reaching private citizens for the public input process, the process of updating the annual action plan, the difference between CDAP and CDBG as well as clarification on the meaning of direct entitlement.

Suggestions received included that of a brochure or mailing to be sent to target neighborhoods to reach citizens, as well as the suggestion of a revolving loan fund for encouraging economic development versus providing grants to businesses.

Other comments received were focused on the topic of the economic development activities. Citizens expressed concern with providing funding directly to businesses, and questioned how it directly benefited low-moderate income individuals/families. Other citizens stated that the allocation of funds to businesses was positive because a business would be required to provide jobs to low-moderate income people.

The public comments received including the minutes from the public hearings are attached in the appendix of this Plan.

6. **Summary of comments or views not accepted and the reasons for not accepting them**
All comments and views were accepted in the development of this 2016 Annual Action Plan.

7. Summary

The City of Danville's 2016 Annual Action Plan has been prepared in order to assist in developing a viable community by providing decent housing, a suitable living environment, and expanded economic opportunities principally for the benefit of low and moderate income persons. Information gathered from the public, and data provided by HUD were used to identify needs, establish goals and create activities for this Annual Action Plan.
PR-05 Lead & Responsible Agencies – 91.200(b)

1. Agency/entity responsible for preparing/administering the Consolidated Plan

Describe the agency/entity responsible for preparing the Consolidated Plan and those responsible for administration of each grant program and funding source.

Table 1 – Responsible Agencies

Narrative (optional)

The lead agency responsible for overseeing the development of this Annual Action Plan and administering programs covered by this Plan is the City of Danville, a municipality of the State of Illinois. The City of Danville Engineering & Urban Services Department is responsible for administering the Consolidated Plan and Annual Action Plan. The City of Danville is not a member of a Consortium utilizing HUD funds.

The primary public and private agencies that may be utilized in implementing Consolidated Plan programs include neighborhood associations, faith based organizations, other governmental entities, private contractors and non-profit service and housing providers.

Consolidated Plan Public Contact Information

For more information about this City of Danville Annual Action Plan please contact Christopher Milliken, Planning & Urban Services Manager, City of Danville, 1155 E Voorhees Street, Danville, IL 61832. Mr. Milliken can also be reached via phone (217) 431-2321 or via email at cmilliken@cityofdanville.org
AP-10 Consultation – 91.100, 91.200(b), 91.215(l)

1. Introduction

The City of Danville had previously adopted a citizen participation plan that identified when public hearings and other consultations are to take place. That plan was used in preparing this 2016 Annual Action Plan. The City’s Annual Action Plan was prepared to comply with all the consultation requirements of the CDBG program.

Provide a concise summary of the jurisdiction’s activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(l))

The City of Danville previously had a shaky relationship with the Danville Housing Authority but recent efforts including the formulation of the Housing Task Force and compilation of the Housing Strategy Report developed by that Task Force are helping to strengthen that relationship for the best interests of the community. The City is working with the Danville Housing Authority and other assisted housing providers in the community to improve the quality of the housing supply in the City. City staff are meeting and conversing regularly with DHA staff to work toward common goals and develop consensus on the direction of public housing in the community. Currently DHA is undergoing some administrative changes with an Interim Director in charge. City staff spoke with the Danville Housing Authority interim director and other staff while developing this Plan in order to identify needs, housing conditions, programs and activities of the Housing Authority. The City recently contemplated partnering with the Danville Housing Authority to develop and submit a Choice Neighborhoods Initiative application, but due to time constraints that was put on hold and will likely be pursued next year.

Other assisted housing providers that the city regularly coordinates with include Habitat for Humanity and East Central Illinois Community Action Agency. City staff regularly communicates with the organizations boards and are always willing to partner for grants. Coordination between the city and other private and governmental health, mental health and service agencies is accomplished through the local Continuum of Care.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.
The City is committed to continued coordination and cooperation with the Central Illinois Continuum of Care in order to better integrate programs and services. The City's strategy for developing a system to address homelessness and the priority needs of homeless persons and families is in alignment with the system utilized by the local continuum of care. The City assists the Continuum through data sharing, map production and volunteering for events such as soup kitchens and the annual street sweep. In addition the City allocates funds through the CDBG program to help address the needs of the homeless. Funds have been used in the past for such projects as lead abatement in a shelter where women and children are housed, temperature control units in a men's shelter. The City will continue to look for ways to assist in the efforts to address the needs of homeless persons.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

The City desires to further consult with the local Continuum and be more actively involved in the Continuum's development of policies, procedures and performance measures for the administration of HMIS. Unfortunately the local Consortium is very small in size in regards to participating agencies but very large in terms of need and area of coverage and is severely lacking in the resources needed.

2. Describe Agencies, groups, organizations and others who participated in the process and describe the jurisdiction’s consultations with housing, social service agencies and other entities

AP-12 Participation – 91.105, 91.200(c)

1. Summary of citizen participation process/Efforts made to broaden citizen participation

Summarize citizen participation process and how it impacted goal-setting

The City of Danville's citizen participation process for development of this Plan followed the City of Danville's adopted Citizen Participation Plan. This included outreach hearings for the public and meetings designed to encourage input from a broad array of the community including public housing residents, neighborhood associations, residents from predominately low and moderate income neighborhoods, the disabled, minorities, and non-English speaking individuals. Phone and email contacts were used to gain input from entities with specific expertise, including those specializing in housing, special needs, homelessness, and economic development. These efforts met and also exceeded the stated requirements of the Citizen Participation Plan and provided meaningful input in establishing goals and projects for this Plan.

The citizen participation process included three public input meetings held on January 19 and January 20, 2016 to obtain citizen input for the formulation of this Plan. A public notice for these meetings was published in the local newspaper fifteen days prior to the first meeting and the notice was also posted on the City's website and distributed to community organizations.

The City of Danville's Draft 2016 Annual Action Plan was made available for public review and comment from February 10, 2016 to March 14, 2016. Notice of this 30 day comment period and the associated public hearings was published in the local newspaper fifteen days prior to the start of this review period and also posted on the City's website. Draft copies of the 2016 Annual Action Plan were available for review during this time at the following locations:

- Robert E Jones Municipal Building
- Danville Public Library

Three public input meetings to review the draft Plan were held on February 22 and February 23, 2016. The official public hearing to discuss the draft was held on February 23, 2016 at 6PM in the City Council chambers of Danville City Hall at 17 West Main Street, Danville, IL.

Comments received during the course of these meetings and hearings is noted below.

Table 5 - Expected Resources – Priority Table

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied

These federal funds identified above will leverage additional private, local and state resources. CDBG funds allocated to Economic Development activities will be leveraging private investment. Likewise, Public Facilities and Infrastructure activities will leverage other local funds including Tax Increment Financing funds to accomplish more in the long run. Finally, the Neighborhood Impact Program for replacement of residential

Annual Action Plan
2016

OMB Control No: 2506-0117 (exp. 07/31/2015)
roofs requires private funds to be contributed towards those projects by the owner.

The City of Danville allocates over $1 million of local funds annually for neighborhood revitalization and community development activities, including loan funds for emergency home repairs; loan funds for small business development; infrastructure improvements; crime prevention; blight removal and code enforcement. These funds are not being provided in connection with any other federal grants. This combined investment of private, local, and federal funds into the City of Danville's neighborhoods is comprehensive in nature in order to achieve lasting results.

Match requirements: The CDBG program has no match requirement.

If appropriate, describe publically owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

The City of Danville currently owns a number of vacant lots throughout the community that could be utilized to facilitate the development of infill housing. Some of the lots are situated so that they could easily be combined together for more widescale redevelopment of underutilized neighborhoods. The City is actively pursuing the creation of a City/County landbank in order to use this vacant/underutilized property and facilitate its reuse.

Discussion

The CDBG funded activities proposed herein will include a blight removal activity. This is not noted on the CDBG use of funds section on the table above, but we understand this to be an allowable use of CDBG funds.

Table 6 – Goals Summary

Goal Descriptions

1. **Goal Name**: Economic Development
   - **Goal Description**: This goal is designed to reduce Danville's unemployment rate by facilitating the creation of new jobs or retention of existing jobs that otherwise would be lost.

2. **Goal Name**: Owner Occupied Housing Rehabilitation
   - **Goal Description**: This goal is designed to facilitate the rehabilitation of owner occupied single family homes. Rehabilitation will primarily be focused on improvements to the exterior of a structure (roof, windows, siding) so as to preserve the structure and extend its longevity. This goal will be focused in a specific portion of the CDBG Target Area (Center City Neighborhood Association Area).
<table>
<thead>
<tr>
<th>Goal Name</th>
<th>Goal Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>Blight Removal</td>
<td>This goal is intended to facilitate the demolition and clearance of deteriorated structures on a spot basis. This goal will serve the CDBG Target Area.</td>
</tr>
<tr>
<td>Public Improvements &amp; Infrastructure</td>
<td>This goal is to facilitate the upgrading of public improvements and infrastructure. This goal is intended to be targeted within the CDBG Target Area.</td>
</tr>
<tr>
<td>Non-Homeless Special Needs</td>
<td>This goal will focus on ensuring accessible housing is available to those individuals/families with special needs. This goal is citywide but priority will be given to those households in the CDBG Target Area.</td>
</tr>
<tr>
<td>Homelessness</td>
<td>This goal will focus on ensuring that adequate emergency shelters and transitional housing units are available within the community to provide housing for those that are homeless or at risk for becoming homeless.</td>
</tr>
<tr>
<td>Planning / General Administration</td>
<td>This goal is intended to make sure that all grant funds and their associated activities are properly planned and administered. This goal will be carried out citywide.</td>

</table>
AP-50 Geographic Distribution – 91.220(f)

Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed

The CDBG Target Area encompasses the geographic area of the City of Danville that is South of Voorhees Street and includes the Downtown and the City's oldest neighborhoods in and around the Downtown core. This area is also where the majority of the area's households have incomes of less than 80% of the Area Median Income. Voorhees Street is a prominent East/West dividing line across the City that basically divides the City in half geographically with areas to the South being older and in need of comprehensive revitalization and areas to the North being newer and in better condition. The CDBG target area is predominately comprised of low-moderate income households and this target area is also comprised of a much higher concentration of minorities than the balance of the City.

</tbody>
</table>

Table 10 - Geographic Distribution

Rationale for the priorities for allocating investments geographically

The basis for giving priority to the allocation of investments geographically to the CDBG Target Area is to ensure that the scarce resources that are available are used in the areas where there is the most need and where they can have a measurable impact on the overall area.
Affordable Housing

AP-55 Affordable Housing – 91.220(g)

Introduction

The plan for affordable housing in the 2016-2017 plan year is to concentrate on housing rehabilitation for eligible lower income households. No rental assistance, production of new units or acquisition of existing units will be funded through this Plan in this program year.

<table>

Table 12 - One Year Goals for Affordable Housing by Support Type

Discussion

The units identified above include: "non-homeless" - owner occupied housing rehabilitation (4), owner occupied emergency repairs through Neighborhood Impact Program (5); "special needs" - accessibility modifications (2); and homeless (40 beds at the Crosspoint at the Y shelter).
AP-60 Public Housing – 91.220(h)

Introduction

There are no specific projects from the grant funds covered in this plan assigned to be used solely to meet the needs of public housing residents. The City of Danville is currently working with the Danville Housing Authority on plans for improving the quality of affordable housing in the community including public housing.

Actions planned during the next year to address the needs to public housing

The City of Danville plans to continue to work with DHA to develop a plan that identifies tangible and quantitative actions that will support the needs of the residents and community. This past year the City and DHA partnered to bring together a task force to assess housing in the community. The resulting housing strategy report was recently forwarded to the Mayor and City Council for review and consideration. Moving forward, it is anticipated that local efforts will include pursuing the redevelopment of the Fair Oaks public housing development complex in order to improve the quality of the supply of public housing. The redevelopment of this DHA public housing development is of particular importance to the City and to the community because the complex is very dense and is plagued by high crime and a negative stigma in and around the community. The City of Danville anticipates assisting the DHA in identifying and applying for funding for programs such as RAD and the Choice Neighborhoods Initiative Program to facilitate the conversion and modernization of the existing public housing stock.

Actions to encourage public housing residents to become more involved in management and participate in homeownership

The DHA has worked diligently to establish resident councils within its developments in order to increase resident involvement and gather input from current residents. DHA has also been exploring offering the Section 8 Housing Choice Voucher Home Ownership Program in order to facilitate residents transition into homeownership, but this has been placed on hold due to a change in leadership at the DHA while a complete review of the DHA operations takes place.

If the PHA is designated as troubled, describe the manner in which financial assistance will be provided or other assistance

Not Applicable
AP-65 Homeless and Other Special Needs Activities – 91.220(i)

Introduction

The City is proposing to assist with building rehabilitation and upgrades at the existing emergency shelter facilities in order to sustain the existing homeless shelters in the community. The City is also continuing to fund an accessibility modification program in order to assist those special needs individuals with a demonstrated need with safe decent affordable housing and public access. The City is also actively involved in the local Continuum of Care and encourages the use of the HMIS as a data collection tool for service delivery and funding prioritization. The City is attempting to expand outreach by encouraging partnerships with other service agencies and faith-based organizations not currently involved with the Local Continuum of Care.

Describe the jurisdictions one-year goals and actions for reducing and ending homelessness including

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

The City of Danville will continue to work with the local Continuum of Care, including the individual organizations that comprise the local Continuum, in order to better understand and assess the individual needs of homeless persons in the jurisdiction. This will include continued participation in the local Continuum of Care Point in Time Count and Street Sweep in order to best assess the extent of homelessness and needs of homeless individuals.

Addressing the emergency shelter and transitional housing needs of homeless persons

The City will continue to support the needs of the emergency shelters and transitional housing already established in the community. This will be accomplished by preserving the condition of and safe livability of all available units in the two primary emergency shelters as proposed herein and by participating in the expansion of transitional housing opportunities as those arise.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals
and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again.

The City will continue to provide assistance to meet the needs of emergency shelters and transitional housing in the community. In addition, the City is currently supporting the development of the new Danville Veterans Permanent Supportive housing project which is under development within the community and expected to open later this year and which will provide permanent supportive housing for homeless veterans and their families.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); or, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs.

The City will assist individuals and families in avoiding homelessness through the CDBG funded Neighborhood Impact Program which is designed to make necessary repairs to keep a low income owner occupied structure habitable. The City also has a separate Housing Loan Program which is designed to provide loans which are targeted directly at correcting conditions that would render the homes of extremely low income persons uninhabitable. The demand for these programs far outweighs the resources so when City resources are not available we will make sure that the individuals and families with unmet needs are connected to the other resources in the community where some assistance could be sought including the Salvation Army, East Central Illinois Community Action Agency and many others.
AP-75 Barriers to affordable housing – 91.220(j)

Introduction

High tax rates, land use controls and building codes can have a negative effect on affordable housing and residential investment. The City of Danville has no taxing policies that would negatively impact the development of affordable housing or residential investment. Housing related taxes are based solely on the assessed value of a property. Land use controls include zoning, subdivision and building codes. The City's development codes do include some elements that could end up increasing development costs in the older established neighborhoods of the City. The City has taken steps this past year to reduce this burden and encourage reinvestment by eliminating the need to obtain permits and pay fees for certain common home maintenance improvements. The housing and other new development that does take place in the community's older established neighborhoods is frequently obtaining incentives and subsidies to facilitate the development. Building code requirements and fees are the same for all types of residential developments and present no barriers to affordable housing or residential development. Land costs in the City are also very reasonable and vacant land is plentiful.

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

The City codes in place can increase the cost of building and rehabilitating affordable housing in the older neighborhoods of the City of Danville. These additional costs can be offset by incentives that the City is able to make available to assist with building and rehabilitation projects. In fact, the City has several incentive programs in place to facilitate the development of in-fill housing within the City's neighborhoods. These include providing lots at little or no cost, waiving permit fees, and on site infrastructure assistance. These programs are increasingly being taken advantage of in recent years, particularly by Habitat for Humanity, for new affordable in-fill housing construction.

As the population has declined the City of Danville has historically failed to enact measures to preserve urban density by offering incentives and relocation to the most prone residential neighborhoods. The City is developing a neighborhood wellness plan in order to analyze the current situations in each neighborhood and identify the activities that need to be carried out in each neighborhood in order to revitalize and stabilize the individual neighborhoods that are the building blocks of the community. In addition, through a technical assistance grant funded by the EPA, this past year the City received assistance in developing policies and and a plan for fostering infill development in the downtown and adjacent residential neighborhoods, which will have a positive effect in return and residential investment for the downtown area.
AP-85 Other Actions – 91.220(k)

Introduction

The section addresses the City of Danville's planned actions to foster and maintain quality affordable housing, continue the mitigation of lead based paint hazards in homes occupied by low-mod income individuals, reduce the number of households in poverty through various services and programs, promote the coordination of services among the various providers, and seek and support the pursuit of additional funding to address underserved needs.

Actions planned to address obstacles to meeting underserved needs

Obstacles identified include insufficient funding to meet the documented needs, the need for better coordination of services, and the widespread quality issue with the existing housing stock. In order to resolve these issues the City of Danville will apply for funding and support other applications that will finance programs that address underserved needs and encourage full participation in the coordination of services of all applicable local agencies. The City will work to strengthen housing codes and incorporate internal housing inspections into the current codes so that more units are meeting HUD safe housing standards. At present, the City can only perform an internal inspection of a housing unit if there is a complaint filed. Due in part to this some landlords are allowing their properties to fall into disrepair which is creating unsafe living situations for their tenants.

Actions planned to foster and maintain affordable housing

There is an overabundance of housing units in the City of Danville and the housing stock is very affordable. The primary problems stem from the advanced age and worsening conditions of the housing stock. The City will foster and maintain affordable housing through the targeted owner-occupied housing rehabilitation program which will allow the City to facilitate an improvement in the quality of the affordable housing stock. The City also supports, both financially and otherwise, in any way it can private efforts to reinvest into the existing housing stock as such opportunities arise.

Actions planned to reduce lead-based paint hazards

The City will continue to ensure that all housing programs and projects comply with lead paint regulations through the following actions.

Annual Action Plan 2016

OMB Control No: 2506-0117 (exp. 07/31/2015)
The City will continue to employ at least 1 individual who is an Illinois licensed Lead Risk Assessor/Inspector. All residents of units or units within buildings being considered for assisted or grant funded rehabilitation will be presented lead hazard information pamphlets and provided the opportunity to discuss or ask questions concerning lead based paint with a risk assessor as pursuant to 40 CFR Part 745 and 24 CFR Part 35. Next, any persons less than six years of age who reside in or frequent any unit within a building considered for rehabilitation is found to have a blood lead level at or above 10µg/dl, the Vermilion County Health Department will be advised, and measures pursuant to Illinois Administrative Code, Ch. I, §845.26, shall be enacted.

A lead risk assessment will precede all initial inspections for work write-up. The City owns an x-ray fluorescence analyzer and has established an account with EMSL Analytical, Inc. for processing of test samples. When a risk assessment determines the presence of lead based paint in or on a unit for rehabilitation, the subsequent report and disclosures will be distributed pursuant to Illinois Administrative Code, Ch. I, §845.30, and a risk assessor will be included in the inspection for work write-up. All test results will be made available to the individuals performing the initial inspection along with a location and surface specific list of all items with film coatings testing above the threshold of 1.0 µg/cm², soils in excess of 400 ppm, as well as areas where lead concentrations in dust exceed State of Illinois thresholds. Following that inspection, it will be the risk assessor, who will prepare the work description incorporating appropriate controls, hazard reduction activities or abatements in compliance with Illinois Administrative Code, Ch. I, §845.30, and the Lead Based Paint Hazard Reduction Act of 1992.

**Actions planned to reduce the number of poverty-level families**

The goal set in the previously adopted strategic plan (SP-65) would be to reduce the number of families in poverty (families with an annual income of less than 30% of Area Median Income) by providing assistance to at least 20 families annually. This will be accomplished by utilizing HUD CDBG funds for targeted housing rehabilitation to keep those in poverty in their homes, improvements to emergency shelter/transitional housing facilities in order to provide a means for those most in need to transition into better conditions, and for job creation that will benefit families in poverty or near poverty. These programs will assist extremely low income families to find suitable housing or remain in their homes without using their limited funds for repairs and also provide job opportunities to prevent low income families from dropping into poverty or assist in moving families out of poverty.

**Actions planned to develop institutional structure**

The local institutional structure is in decent shape but the lack of a State budget and cuts in state and local funding are impacting the ability of some local organizations to effectively carry out their missions and provide the necessary programs and resources to all who need them. The primary gap in the existing institutional structure is a need to further enhance coordination among the various service providers.
agencies and this will be difficult to improve upon given the current financial climate within the State of Illinois. The City is working to take the lead in promoting additional coordination with these entities where practical. Coordination and collaboration efforts will be spearheaded by additional involvement with the Local Continuum of Care, and consultations with existing service agencies not already engaged in this process or with the Continuum.

Actions planned to enhance coordination between public and private housing and social service agencies

Ongoing collaboration with the Danville Housing Authority, Habitat for Humanity, East Central Illinois Community Action Agency, Local property managers and landlords, and the other engaged community organizations will continue to be spearheaded by the City. Through the recent Housing Task Force discussions the City has attempted to enhance coordination with all of the housing stakeholders in the community to ensure they are all working towards common goals as established in this Plan and in the Housing Task Force Report. This will ensure that all other housing efforts in the community, including those of the Danville Housing Authority, Habitat for Humanity, and private developers are better coordinated in the future with the City’s adopted plans and codes.

Discussion

As part of the City of Danville’s ongoing efforts to address the housing and neighborhood revitalization needs of the community the City has been and will continue exploring additional/alternative funding sources in the next year. This will include applying for HOME program funding either directly thru HUD or through IHDA in order to assist with the development of quality affordable housing in the community as well as entering into a Section 108 loan agreement through HUD in order to facilitate the redevelopment of a targeted area of the community and encourage economic development and job creation. The City has recently completed several planning efforts and adopted plans to facilitate the redevelopment of several areas of the community including the East Main Street corridor, Danville High School Campus neighborhood and the Downtown Riverfront area. Other grant opportunities are also being explored to further these redevelopment and revitalization efforts and to implement those plans.
Program Specific Requirements

AP-90 Program Specific Requirements – 91.220(l)(1,2,4)

Introduction

The CDBG Program has no program income available for 2016-2017 and expects to use 70% of its CDBG grant funds for Low-Mod Activities. The Overall Benefit criteria will be met over the 3 year period commencing May 1, 2015 and ending April 30, 2018.

Community Development Block Grant Program (CDBG)
Reference 24 CFR 91.220(l)(1)

Projects planned with all CDBG funds expected to be available during the year are identified in the Projects Table. The following identifies program income that is available for use that is included in projects to be carried out.

1. The total amount of program income that will have been received before the start of the next program year and that has not yet been reprogrammed 0
2. The amount of proceeds from section 108 loan guarantees that will be used during the year to address the priority needs and specific objectives identified in the grantee's strategic plan. 0
3. The amount of surplus funds from urban renewal settlements 0
4. The amount of any grant funds returned to the line of credit for which the planned use has not been included in a prior statement or plan 0
5. The amount of income from float-funded activities 0

Total Program Income: 0

Other CDBG Requirements

1. The amount of urgent need activities 0

2. The estimated percentage of CDBG funds that will be used for activities that benefit persons of low and moderate income. Overall Benefit - A consecutive period of one, two or three years may be used to determine that a minimum overall benefit of 70% of CDBG funds is used to benefit persons of low and moderate income. Specify the years covered that include this Annual Action Plan. 70.00%

SF-424 (Rev. 7-97) Back
RESOLUTION NO. 2016-19

APPROVING CDBG ANNUAL ACTION PLAN
FOR PROGRAM YEAR 2016

WHEREAS, the City of Danville has identified strategies and resources available to realize specific community development objectives for the funding year from May 2016 through April 2017; and

WHEREAS, these strategies, resources and objectives are assembled as its Consolidated Plan, which also serves as the City’s application to the U. S. Department of Housing and Urban Development (HUD) for Community Development Block Grant (CDBG) funds; and

WHEREAS, the Consolidated Plan was approved and submitted in 2015, but an Annual Action Plan describing the specific activities to be undertaken must be submitted for each Program year; and

WHEREAS, three public meetings were conducted to receive citizen input for the development of the Annual Action Plan during January, 2016; and

WHEREAS, three public hearings were conducted to receive citizen input on the Draft Annual Action Plan document during February, 2016; and

WHEREAS, the Annual Action Plan is to be submitted to HUD by March 15, 2016.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Danville, Illinois, as follows:

1. That the 2016 Annual Action Plan is hereby approved and adopted in the same form as attached hereto.

2. That the Mayor and City Clerk are authorized to execute the necessary documents to carry out the Annual Action Plan including documents necessary to receive CDBG funds.

3. That the City Clerk is hereby directed to transmit a copy of this resolution to the Urban Services Division of the Engineering & Urban Services Department; and that the Mayor is hereby directed to transmit a copy of this Resolution and the Annual Action Plan to appropriate HUD offices.

PASSED this 1st day of March 2016, by 8 Ayes, 0 Nays, 5 Absent, and 1 Vacancy.

APPROVED:

BY: Scott E. Schaefer
Mayor

ATTEST:

BY: Joseph T. Mays
City Clerk

POSTED PUBLICLY MAR 03 2016
CDBG Program Allocations

Current 2015-2016

Exterior Improvements for 5 Owner occupied houses-(Vermilion Heights South) $100,000
Accessibility Modifications $60,000
Neighborhood Impact Program $50,000
Demolitions/Blight Removal $210,000
Economic Development $80,000
Public Improvements & Infrastructure (East Main-Nodes/Parks/Wayfinding) $213,631

Subtotal for all projects $713,631

Administrative Reimbursement $175,136

Total $888,767

Proposed 2016-2017

Owner Occupied Housing Rehab-
Exterior Improvements (4) (Center City) $80,000
Accessibility Modifications (2) $20,000
Neighborhood Impact Program (5) $63,620
Homelessness Building Assistance (Crosspoint at the Y) $10,000
Demolitions/Blight Removal $210,000
Economic Development $75,000
Public Improvements & Infrastructure
(East Main-Nodes/Parks/Streetscaping) $259,035

Subtotal for all projects $717,655

Administrative Reimbursement $174,732

Total $892,387
CERTIFICATIONS

In accordance with the applicable statutes and the regulations governing the consolidated plan regulations, the jurisdiction certifies that:

Affirmatively Further Fair Housing — The jurisdiction will affirmatively further fair housing, which means it will conduct an analysis of impediments to fair housing choice within the jurisdiction, take appropriate actions to overcome the effects of any impediments identified through that analysis, and maintain records reflecting that analysis and actions in this regard.

Anti-displacement and Relocation Plan — It will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, and implementing regulations at 49 CFR 24; and it has in effect and is following a residential antidisplacement and relocation assistance plan required under section 104(d) of the Housing and Community Development Act of 1974, as amended, in connection with any activity assisted with funding under the CDBG or HOME programs.

Drug Free Workplace — It will or will continue to provide a drug-free workplace by:

1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;

2. Establishing an ongoing drug-free awareness program to inform employees about —
   (a) The dangers of drug abuse in the workplace;
   (b) The grantee's policy of maintaining a drug-free workplace;
   (c) Any available drug counseling, rehabilitation, and employee assistance programs; and
   (d) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;

3. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph 1;

4. Notifying the employee in the statement required by paragraph 1 that, as a condition of employment under the grant, the employee will -
   (a) Abide by the terms of the statement; and
   (b) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;

5. Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph 4(b) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;
6. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph 4(b), with respect to any employee who is so convicted:

(a) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

(b) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

7. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs 1, 2, 3, 4, 5 and 6.

Anti-Lobbying -- To the best of the jurisdiction's knowledge and belief:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement;

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions; and

3. It will require that the language of paragraph 1 and 2 of this anti-lobbying certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

Authority of Jurisdiction -- The consolidated plan is authorized under State and local law (as applicable) and the jurisdiction possesses the legal authority to carry out the programs for which it is seeking funding, in accordance with applicable HUD regulations.

Consistency with plan -- The housing activities to be undertaken with CDBG, HOME, ESG, and HOPWA funds are consistent with the strategic plan.

Section 3 -- It will comply with section 3 of the Housing and Urban Development Act of 1968, and implementing regulations at 24 CFR Part 135.

Title
Specific CDBG Certifications

The Entitlement Community certifies that:

Citizen Participation -- It is in full compliance and following a detailed citizen participation plan that satisfies the requirements of 24 CFR 91.105.

Community Development Plan -- Its consolidated housing and community development plan identifies community development and housing needs and specifies both short-term and long-term community development objectives that provide decent housing, expand economic opportunities primarily for persons of low and moderate income. (See CFR 24 570.2 and CFR 24 part 570)

Following a Plan -- It is following a current consolidated plan (or Comprehensive Housing Affordability Strategy) that has been approved by HUD.

Use of Funds -- It has complied with the following criteria:

1. Maximum Feasible Priority. With respect to activities expected to be assisted with CDBG funds, it certifies that it has developed its Action Plan so as to give maximum feasible priority to activities which benefit low and moderate income families or aid in the prevention or elimination of slums or blight. The Action Plan may also include activities which the grantee certifies are designed to meet other community development needs having a particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community, and other financial resources are not available);

2. Overall Benefit. The aggregate use of CDBG funds including section 108 guaranteed loans during program year(s) 2015-2017, (a period specified by the grantee consisting of one, two, or three specific consecutive program years), shall principally benefit persons of low and moderate income in a manner that ensures that at least 70 percent of the amount is expended for activities that benefit such persons during the designated period;

3. Special Assessments. It will not attempt to recover any capital costs of public improvements assisted with CDBG funds including Section 108 loan guaranteed funds by assessing any amount against properties owned and occupied by persons of low and moderate income, including any fee charged or assessment made as a condition of obtaining access to such public improvements. However, if CDBG funds are used to pay the proportion of a fee or assessment that relates to the capital costs of public improvements (assisted in part with CDBG funds) financed from other revenue sources, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds.

The jurisdiction will not attempt to recover any capital costs of public improvements assisted with CDBG funds, including Section 108, unless CDBG funds are used to pay the proportion of fee or assessment attributable to the capital costs of public improvements financed from other revenue sources. In this case, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds. Also, in the case of properties owned and occupied by moderate-income (not low-income) families, an assessment or charge may be made against the property for public improvements financed by a source other than CDBG funds if the jurisdiction certifies that it lacks CDBG funds to cover the assessment.
**Excessive Force** -- It has adopted and is enforcing:

1. A policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in non-violent civil rights demonstrations; and

2. A policy of enforcing applicable State and local laws against physically barring entrance to or exit from a facility or location which is the subject of such non-violent civil rights demonstrations within its jurisdiction;

**Compliance With Anti-discrimination laws** -- The grant will be conducted and administered in conformity with title VI of the Civil Rights Act of 1964 (42 USC 2000d), the Fair Housing Act (42 USC 3601-3619), and implementing regulations.

**Lead-Based Paint** -- Its activities concerning lead-based paint will comply with the requirements of 24 CFR Part 35, subparts A, B, J, K and R;

**Compliance with Laws** -- It will comply with applicable laws.

Title

---

**OPTIONAL CERTIFICATION**  
**CDBG**

Submit the following certification only when one or more of the activities in the action plan are designed to meet other community development needs having a particular urgency as specified in 24 CFR 570.208(c):

The grantee hereby certifies that the Annual Plan includes one or more specifically identified CDBG-assisted activities which are designed to meet other community development needs having a particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community and other financial resources are not available to meet such needs.

Title
Specific HOME Certifications

The HOME participating jurisdiction certifies that:

**Tenant Based Rental Assistance** -- If the participating jurisdiction intends to provide tenant-based rental assistance:

The use of HOME funds for tenant-based rental assistance is an essential element of the participating jurisdiction's consolidated plan for expanding the supply, affordability, and availability of decent, safe, sanitary, and affordable housing.

**Eligible Activities and Costs** -- it is using and will use HOME funds for eligible activities and costs, as described in 24 CFR § 92.205 through 92.209 and that it is not using and will not use HOME funds for prohibited activities, as described in § 92.214.

**Appropriate Financial Assistance** -- before committing any funds to a project, it will evaluate the project in accordance with the guidelines that it adopts for this purpose and will not invest any more HOME funds in combination with other Federal assistance than is necessary to provide affordable housing.

Title
ESG Certifications

The Emergency Shelter Grantee certifies that:

Major rehabilitation/conversion — It will maintain any building for which assistance is used under the ESG program as a shelter for homeless individuals and families for at least 10 years. If the jurisdiction plans to use funds for rehabilitation (other than major rehabilitation or conversion), the applicant will maintain any building for which assistance is used under the ESG program as a shelter for homeless individuals and families for at least 3 years.

Essential Services and Operating Costs — Where assistance involves essential services or maintenance, operation, insurance, utilities and furnishings, it will provide services or shelter to homeless individuals and families for the period during which the ESG assistance is provided, without regard to a particular site or structure as long as the same general population is served.

Renovation — Any renovation carried out with ESG assistance shall be sufficient to ensure that the building involved is safe and sanitary.

Supportive Services — It will assist homeless individuals in obtaining appropriate supportive services, including permanent housing, medical and mental health treatment, counseling, supervision, and other services essential for achieving independent living, and other Federal State, local, and private assistance.

Matching Funds — It will obtain matching amounts required under 24 CFR 576.51.

Confidentiality — It will develop and implement procedures to ensure the confidentiality of records pertaining to any individual provided family violence prevention or treatment services under any project assisted under the ESG program, including protection against the release of the address or location of any family violence shelter project except with the written authorization of the person responsible for the operation of that shelter.

Homeless Persons Involvement — To the maximum extent practicable, it will involve, through employment, volunteer services, or otherwise, homeless individuals and families in constructing, renovating, maintaining, operating facilities, and providing services assisted through this program.

Consolidated Plan — It is following a current HUD-approved Consolidated Plan or CHAS.

Discharge Policy — It has established a policy for the discharge of persons from publicly funded institutions or systems of care (such as health care facilities, foster care or other youth facilities, or correction programs and institutions) in order to prevent such discharge from immediately resulting in homelessness for such persons.

HMIS — It will comply with HUD’s standards for participation in a local Homeless Management Information System and the collection and reporting of client-level information.

Signature/Authorized Official  Date

Title
HOPWA Certifications

The HOPWA grantee certifies that:

Activities -- Activities funded under the program will meet urgent needs that are not being met by available public and private sources.

Building -- Any building or structure assisted under that program shall be operated for the purpose specified in the plan:

1. For at least 10 years in the case of assistance involving new construction, substantial rehabilitation, or acquisition of a facility,

2. For at least 3 years in the case of assistance involving non-substantial rehabilitation or repair of a building or structure.

Title
APPENDIX TO CERTIFICATIONS

INSTRUCTIONS CONCERNING LOBBYING AND DRUG-FREE WORKPLACE REQUIREMENTS:

A. Lobbying Certification

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

B. Drug-Free Workplace Certification

1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification.

2. The certification is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, HUD, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.

3. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.

4. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio stations).

5. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph three).

6. The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant:
Place of Performance (Street address, city, county, state, zip code)

Check ___ if there are workplaces on file that are not identified here.

The certification with regard to the drug-free workplace is required by 24 CFR part 24, subpart F.

7. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees’ attention is called, in particular, to the following definitions from these rules:

"Controlled substance" means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);

"Conviction" means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;

"Criminal drug statute" means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

"Employee" means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) All "direct charge" employees; (ii) all "indirect charge" employees unless their impact or involvement is insignificant to the performance of the grant; and (iii) temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee’s payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee’s payroll; or employees of subrecipients or subcontractors in covered workplaces).

Public Notice

The City of Danville will host three open meetings to solicit public input for its formulation of an Annual Action Plan on housing and community development activities for the 2016-2017 budget year. This Annual Action Plan will pursue Goals set forth in Danville’s five year Consolidated Plan adopted in 2015. The resulting plan will determine the City’s utilization of federal funds administered by the Department of Housing and Urban Development through the Community Development Block Grant Program (CDBG). Community Development Staff will be available to answer questions concerning past programs and future plans. Suggestions and concerns will be recorded and forwarded to a team to be named later this month made up of city officials, community service providers and residents who will assemble the plan. Areas of specific focus will be housing for low and moderate income families, homelessness, housing and public accommodations for special needs populations, infrastructure supporting neighborhoods, and economic development and job creation. Persons with disabilities or non-English speaking persons who wish to attend the public hearings and need assistance should contact the office of Urban Services Department, 1155 E. Voorhees, Danville, IL 61832, or by telephone at 217-431-3453. Every effort will be made to affect reasonable accommodations for these persons. More information on the subject can be obtained by that same address and telephone number weekdays between 8:00 a.m. and 4:00 p.m. Information related to the proposed utilization of these funds can be reviewed prior to the hearings at the office of Urban Services Community Development Division as listed above. Interested citizens are invited to provide comments either at the hearing or by submission of a written statement, no later than January 22, 2016, in order for it to be included in the public record of the hearing. The public is invited to attend at the following ADA handicapped accessible facilities on the following dates and places:

Tuesday, January 19, 2016, 9:30 a.m. Danville Public Library
2nd Floor Conference Room
319 N. Vermilion
Danville, IL 61832

Tuesday, January 19, 2016, 6:00 p.m. Robert E. Jones Municipal Building
City Council Chambers
17 W. Main Street
Danville, IL 61832

Wednesday, January 20, 2016, 10:30 a.m. Robert E. Jones Municipal Building
City Council Chambers
17 W. Main Street
Danville, IL 61832

City of Danville
2016-2017 Annual Action Plan

January 19, 2016
9:30 a.m.
Danville Public Library
2nd Floor Conference Room
319 North Vermilion, Danville, IL

The open meeting was convened at 9:30 a.m. by Planner I, Liila Bagby to provide an opportunity for public comments concerning CDBG grant funds. Bagby was available for questions starting at 9:30 a.m. central standard time.

Lloyd Randle Alderman for Ward 7 was in attendance. He asked: What are the methods of reaching private citizens for the public input process? What is the process for updating the annual action plan? He also asked how we could maximize communication to target groups to increase awareness of CDBG guidelines. He gave a recommendation to reach out to the following groups: Social Security Administration, Ameren IL, and meals on wheels.

Bagby explained that during the consultation process organizations are contacted via email and are asked to respond with their top three (3) needs. Some of these organizations include Crosspoint Human Services, YFRC, CRIS Senior Services, and the Danville school district. This information is then reviewed by the appropriate people and taken into consideration when creating the next year’s program allocations. In response to his question of reaching out to private citizens Bagby explained that an advertisement in the news gazette was published that gave the dates and times for the public hearings.

Alderman suggested a brochure or mailing to target neighborhoods to reach citizens. Staff confirmed that target mailings have been used for the Housing Rehab Program to reach citizens.

Randle does not agree with some of the economic development project activities. He gave the example of Danville Metal Stamping, and their request of economic development money. He was curious about how that activity will benefit low-mod income persons, and feels money can go to better use. He suggests a revolving loan program to be included in 2016 project activities rather than grants to businesses.
He questioned the difference between the CDAP program and CDBG program. Staff explained that the City of Danville is considered a direct entitlement community and CDAP refers to communities less than 50,000 and is administered through the state. The City of Danville previously was not a direct entitlement community and went through the state.

Bagby thanked the Alderman for his comments and the meeting was adjourned at 10AM.

I, Lisa Monson, City Clerk of the City of Danville, Illinois do hereby certify that the foregoing is a true and correct copy of the minutes taken for the Public Hearing held January 19, 2016.

Lisa Monson, City Clerk

Community Development  
Public Hearing  
For the  
City of Danville  
2016-2017 Annual Action Plan  

January 19, 2016  
6:00 p.m.  
City Council Chambers  
17 W. Main St., Danville, IL  

The public hearing for citizen input for the Annual Action Plan for 2016 to 2017 was convened at 6:26 p.m. as item number 7 of the January 19th, 2016 City Council Meeting. Mayor Eisenhauer then introduced Planning & Urban Services Manager Chris Milliken.  

Mr. Milliken informed those in attendance that this was a Public Input Hearing for the planning of the 2016 Annual Action Plan. The assembly of the plan would take place in the next few weeks and then be presented to the council in the middle of February then submitted to HUD by mid-March.  

Those in attendance were informed that this is the second year of the Consolidate Plan with the first year of the Consolidated Plan being the 2015 Annual Action Plan. The 2016 plan will need to be tied to the Consolidated Plan goals and the National Objectives that serves Low-moderate income individuals, blight prevention or urgent need.  

Mr. Milliken stated that this was the second of three hearings with another one scheduled Wed, January 20, 2016 at 10:30 a.m. He then stated that there have been approximately 30 to 40 entities contacted for involvement.  

Mayor Eisenhauer then asked the audience for comments.  

Citizen Cyrus Ostiguy stated he checked the HUD web site and found out that CDBG funds are to be used for activities that benefit the low-moderate income people, prevent blight, and execution of possible threats when no other funds are available. He stated since Danville Metal Stamping was high-tech he was concerned that people must have a good education and that these people must meet a certain criteria. He stated that he feels this doesn’t bring low to moderate people up.  

Citizen Vince Koers stated after reading about the block grant money in the newspaper for $800,000, nothing was suggested it being spent in one place. He stated that 15% of the total to meet other needs like the homeless, what does it do to compare to jobs needed. He feels there is plenty of room to support an individual company. He is in support for Danville Metal Stamping.  

Mayor Eisenhauer then asked the audience for any other comments, 1st call, 2nd call then final call.  

Mayor Eisenhauer then asked the aldermen present if they had any questions or comments.
Alderman Foster shared his thoughts: He is not sure money is well spent in a program to retain; jobs, he suggested other programs or sending them to DACC for job training.

Alderman Hoskins asked if we set aside funds when these funds are requested.

Mr. Milliken stated that the economic development funds are allocated yearly in the Annual Action Plan.

Alderman Hoskins stated are we taking away funds from another activity?

Mr. Milliken stated it wasn’t taking money away from other activities as the allocations for specific activities are set in advance with plan approvals.

Alderman Randle stated there are three things he wants to point out to the council.
   1. To be mindful of being the overseer of government funds to private firms.
   2. Concerned with the need of higher levels of skills. Low-moderate people skill sets come into play.
   3. Creation of 12 jobs, 5 being from low-moderate, moving equip, technically, filled by lower quality employees, would like to know the formula for reporting, and to be vigilant about jobs created.

Alderman Randle then stated that the median income for Danville is $35,000 and feels the money could be better spent in targeted areas, prudent to spend for the greatest need and to be conscious of spending funds for economic development.

Mayor Eisenhauer then asked if there were any additional questions or comments. No response.

The hearing was closed @ 6:38 p.m.

There were 31 individuals that signed the attendance sheets and approximately 10 others that came in after the council session began before item #7.

I, Lisa Monson, City Clerk of the City of Danville, Illinois do hereby certify that the foregoing is a true and correct copy of the minutes taken for the Public Hearing held January 19, 2016.

Lisa Monson, City Clerk
DANVILLE CITY COUNCIL
JANUARY 19, 2016

#1. THE REGULAR MEETING of the City Council of the City of Danville was called to order at 6:01 p.m. by Mayor Scott Eisenhauer.

THE ROLL CALL was answered by Mayor Scott Eisenhauer, Vice Mayor Rickey Williams, Jr., Aldermen Brenda Brown, Jon Cooper, R.J. Davis, Steve Foster, Frank Hoskins, Sharon McMahon, Sherry Pickering, Michael O’Kane, Michael Puhr, Lloyd Randle, and Tom Stone. Absent were Aldermen Steve Nichols and Rick Strebing. A quorum was present.

Staff Members Present: Assistant Corporation Counsel Bethany Nystrom, City Clerk Lisa Monson, City Comptroller Gayle Lewis, Corporation Counsel David Wesner, DATS Director Jaclyn Vinson, Engineering & Urban Services Director David Schnelle, Human Relations Administrator Sandra Finch, Information Technology Administrator Agnel DSilva, Planner I Lilla Bagby, Planning Technician Ross Hilleary, Public Safety Director Larry Thomason, Public Transportation Director Lisa Beith, Public Works Director Doug Ahrens, Public Works Service & Operations Manager Ray Garcia, Rehabilitation Specialist Angie Jestis, and Superintendent of Parks & Public Property Steve Lane.

There were also 14 audience members and 3 news media in attendance.

#2. INVOCATION was given by Rev. Zach LeCrone, Pastor, First United Methodist Church and Bowman Avenue United Methodist Church, followed by #3. THE PLEDGE OF ALLEGIANCE led by Alderman Stone.

#4. THE MINUTES of the regular meeting held, January 5, 2016, and corrected minutes of the meeting held, December 15, 2015 having been published and distributed, were presented. Alderman Cooper moved for approval as presented, seconded by Alderman Stone. On the voice vote, the motion so ordered.

#5. THE AGENDA for the evening was presented. Mayor Eisenhauer announced the removal of Item 11-B Ordinance: Authorizing Vacation of Alleyway at 215 S. Gilbert St for Jesus Gomez and Item 12-A City Clerk’s Report. Mayor Eisenhauer stated the ordinance was removed due to no payment being received for the alley vacation. There being no further changes, Alderman Cooper moved for approval as amended, seconded by Alderman McMahon. On the voice vote, all ayes, no nays; the motion so ordered.

#6. MAYOR’S REPORT

#6-A. Proclamations - None
#6-B. Board/Committee Appointments - None

#6-C. Reports of Boards, Agencies, Commissions
On behalf of the MLK Committee, Human Relations Administrator Finch thanked Mayor Eisenhauer, Council, and staff members for their participations and support of the two-day Martin Luther King Jr. Celebration and announced the recipient of the scholarship award will read his essay at a February Council meeting. Mayor Eisenhauer congratulated Administrator Finch and the MLK Committee for all of the great festivities over the two-day event.
#6-D-1. Review and Acceptance of Fiscal Year 2014-2015 Audit
Comptroller Lewis introduced Sandy Cook with CliftonLarsonAllen LLP, who presented the Financial Statements and Supplemental Information for period May 1, 2014, through April 30, 2015 that resulted in an unqualified opinion, meaning a clean report and City staff was commended for another job well done. The various individual reports were presented and information highlighted with reasons given for certain actions. The financial statements for the year ending April 30, 2015 included the impact of the adoption of GASB (Governmental Accounting Standards Board) statement number 67 which creates additional transparency for pension plan reporting. Alderman Randle moved to accept the audit and place on file, seconded by Alderman Brown. There being no further discussion or questions, on the voice vote, all ayes, no nays; the motion so ordered.

#6-D-2. Review and Acceptance of Mass Transit Fiscal Year 2014-2015 Audit
Sandy Cook with CliftonLarsonAllen LLP presented the Financial Statements and Supplemental Information for fiscal year beginning July 1, 2014, and ending June 30, 2015. Mrs. Cook stated there were no findings on the Mass Transit audit. Alderman Foster moved to accept the audit and place on file, seconded by Alderman Cooper. There being no further discussion or questions, on the voice vote, all ayes, no nays; the motion so ordered.

#6-D. Mayor Eisenhauer wished a “Happy Birthday” to Alderman Stone who will be celebrating a birthday tomorrow.

#7. PETITIONS, COMMUNICATIONS, AUDIENCE COMMENTS
#7-A. Mayor Eisenhauer opened the PUBLIC HEARING for Soliciting Input for the CDBG Annual Action Plan for the 2016-2017 Budget Year at 6:22 p.m. Planning & Urban Services Manager Christopher Milliken commented on the Plan stating that this is the second year of a 5-Year Consolidated Plan adopted in 2015 that must meet one of the three national objectives identified as benefiting low and moderate income persons; preventing or eliminating slums or blight; and meeting a HUD designated urgent need. The City is seeking comments and suggestions during the public hearing with plans to submit the Plan in mid March. Mayor Eisenhauer asked for audience comments. Cyril Ostiguy of Danville spoke concern of using the CDBG funds for high tech development and feels the funds could be used for blight removal. Vince Koers of Danville spoke in support of CDBG funding being used for Danville Metal Stamping as the funds for that project are only 15% of the total CDBG funding. Mayor Eisenhauer asked for comments from the Aldermen. Alderman Foster stated it is money well spent on some type of program for people to get retrained at DACC do something in association with that or some kind of child care something that relates to training. Alderman Hoskins questioned if funding is set aside for economic development projects or when the funding is requested does the City have to come up with the dollars out of the CDBG funds. Manager Milliken responded that one of the goals in the Consolidated Plan was to set aside a portion of funding for economic development job creation so there is no reallocation of funds from another project. Alderman Randle stated it is important for Aldermen to be mindful of their responsibility to oversee the allocation of government funds with respect to their relationship to private investment and voiced concern of the skill set of low to moderate income individuals as the skills required at Danville Metal Stamping require a higher level of skills and feels the money could be better spent and prudent to look at where the greatest need is which is in targeting an area with structural issues for low to moderate income individuals and be conscious of our efforts to fund private companies with government dollars. There being no further comments, the Public Hearing was closed at 6:35 p.m.

#7. AUDIENCE COMMENTS - None

City Council                                      Page 2

01/19/16
#8... ZONING PETITIONS — None

#9... PAYROLL
Mayor Eisenhauer presented Payrolls for January 8, 2016, of $526,655.31 and January 15, 2016, of $66,257.10. Alderman Stone moved to dispense with the readings and asked for approval as presented, seconded by Alderman Pickering. There being no questions, the roll call vote being:
Ayes: Aldermen Hoskins, Davis, McMahon, Stone, Williams, Pickering, O’Kane, Randle, Cooper, Puhr, Foster, Brown
Nays: None
Absent: Aldermen Nichols, Strebing
Motion carried 12 to 0 with 2 absent.

#10... SCHEDULE OF VOUCHERS PAYABLE
Mayor Eisenhauer presented the Schedule of Vouchers Payable, having been published, posted, and distributed, for January 12, 2016, of $597,969.68, regular run for January 19, 2016, of $192,541.99, and special run for January 19, 2016, of $21,568.00. Alderman McMahon moved to dispense with the readings and asked for approval as presented, seconded by Alderman Stone. Alderman Hoskins questioned the need for a storage shed at Danville Stadium and Director Ahrens responded all gas powered equipment needed to be removed from Danville Stadium and the storage garage was constructed with in-house personnel. Alderman Hoskins questioned a payment to Lynch & Bowen Scales, Inc. and Director Ahrens stated there is more careful tracking of bulk materials for snow events and for various projects. Alderman Hoskins questioned a payment to Martin Equipment. Director Ahrens stated the payment was for repairs made to a John Deere excavator which were approved through a resolution. There being no questions or further discussion, the roll call vote being:
Ayes: Aldermen Davis, McMahon, Stone, Williams, Pickering, O’Kane, Randle, Cooper, Puhr, Foster, Brown, Hoskins
Nays: None
Absent: Aldermen Nichols, Strebing
Motion carried 12 to 0 with 2 absent.

#11... PUBLIC WORKS COMMITTEE REPORT
#11-A. Chairman Puhr presented RESOLUTION NO. 2016-1 approving Utilization of CDBG Economic Development Funding for Danville Metal Stamping at 400 Eastgate Drive in the amount of $124,284.00 with the grant being paid from line items 106-106-54099-13 ($4,284.00), 106-106-54099-14 ($40,000.00), and 106-106-54099-15 ($80,000.00), to relocate a portion of the business operations and create 12 full time jobs with seven of those benefitting persons of low to moderate incomes, moved to dispense with the reading and asked for approval as recommended by Committee, seconded by Alderman Stone. Mayor Eisenhauer asked Vermillion Advantage President/CEO Vicki Haugen to comment on job creation and education as to the skillsets. President Haugen stated there are income verification forms as well as tracking and if the business does not meet the funding and hiring requirements, the business has to return the funding. The business has to complete forms to follow HUD guidelines which are returned to the City and are reviewed during the audit process from HUD. President Haugen stated Danville Metal Stamping employs 450 people with an average wage of $16.30 plus benefits package and the average seniority is 11 years. The business is very stable, but does not have endless funds. Alderman Hoskins questioned if the money and jobs are one in the same and President Haugen responded the business has to create jobs and they have to spend the money based upon what they say they are spending it on and document ahead of time how they came up with the cost. Vice Mayor Williams voiced support of the grant to
Danville Metal Stamping and stated the City can help keep citizens in their homes by having good paying jobs. Alderman McMahon voiced support of the grant and stated it is good to support local business. Alderman Foster voiced support of the grant and stated Danville Metal Stamping provides missing machine parts for antique war bird restoration projects which occasionally occur at the Vermilion County Airport. There being no further questions or discussion, the roll call vote being:
Ayes: Aldermen McMahon, Stone, Williams, Pickering, O’Kane, Puhr, Foster, Hoskins, Davis
Nays: Aldermen Randle, Cooper, Brown
Absent: Aldermen Nichols, Strebing
Motion carried 9 to 3 with 2 absent.

#11-B..previously removed.

#11-C..Chairman Puhr presented RESOLUTION NO. 2016-2 approving Agreement with IDOT for Resurfacing on Portions of Lynch and Brewer Roads, to be paid from MFT Section 16-00351-00-RS, line item number 103-6351R-16 moved to dispense with the reading and asked for approval as recommended by Committee, seconded by Alderman McMahon. Alderman McMahon questioned how far the resurfacing will go on Brewer Road and Director Schnelle responded the resurfacing will end near the concrete median. There being no further questions or discussion, the roll call vote being:
Ayes: Aldermen Stone, Williams, Pickering, O’Kane, Randle, Cooper, Puhr, Foster, Brown, Hoskins, Davis, McMahon
Nays: None
Absent: Aldermen Nichols, Strebing
Motion carried 12 to 0 with 2 absent.

#11-D..Chairman Puhr presented RESOLUTION NO. 2016-3 adopting the Danville High School Campus Master Plan dated January 8, 2016 in cooperation with Danville School District #118, requested to begin implementation of the Danville High School (DHS) Master Plan, including pursuit of funding, and other tasks necessary for implementation, moved to dispense with the reading and asked for approval as recommended by Committee, seconded by Alderman Cooper. Planning Technician Ross Hilleary handed out Plan booklets and presented a slide presentation highlighting the following:
• City of Danville, Danville District #118, and Community stakeholders began discussions in November, 2008, of a long-term plan for the DHS Campus;
• The City began the planning process in January, 2015 to create a comprehensive plan for the campus area partnering with District #118 Administration, Students, Parents, and the Community as a whole;
• The Master Plan is divided into five sections; Section 1: Master Plan Introduction, Section 2: Analysis & Existing Conditions, Section 3: Goals & Recommendations, Section 4: Design Concepts, and Section 5: Implementation Strategy.
Danville District #118 has moved their meeting for adoption of the Plan to February 10, 2016. There being no questions or further discussion, the roll call vote being:
Ayes: Aldermen Williams, Pickering, O’Kane, Randle, Cooper, Puhr, Foster, Brown, Hoskins, Davis, McMahon, Stone
Nays: None
Absent: Aldermen Nichols, Strebing
Motion carried 12 to 0 with 2 absent.
#11-E. Chairman Puhr presented RESOLUTION NO. 2016-4 awarding Bid #550 to Cummins Crosspoint LLC for the Purchase and Installation of a Reconditioned Transit Engine for a 2008 Gillig Low Floor Transit bus in the amount of $48,445.30, with funds to come from 113-113-55016 Other Capital Equipment and 113-113-52015 Maintenance of Vehicles, moved to dispense with the reading and asked for approval as recommended by Committee, seconded by Alderman Cooper. There being no questions or discussion, the roll call vote being:
Ayes: Aldermen Pickering, O’Kane, Randle, Cooper, Puhr, Foster, Brown, Hoskins, Davis, McMahon, Stone, Williams
Nays: None
Absent: Aldermen Nichols, Strebing
Motion carried 12 to 0 with 2 absent.

#11-F. Chairman Puhr presented RESOLUTION NO. 2016-5 authorizing Application to National Fish and Wildlife Foundation-Five Star and Urban Waters Restoration Grant Program to Improve Stoney Creek at Carver Park for streambank erosion restoration requesting up to $50,000.00, moved to dispense with the reading and asked for approval as recommended by Committee, seconded by Alderman Cooper. There being no questions or discussion, the roll call vote being:
Ayes: Aldermen O’Kane, Randle, Cooper, Puhr, Foster, Brown, Hoskins, Davis, McMahon, Stone, Williams, Pickering
Nays: None
Absent: Aldermen Nichols, Strebing
Motion carried 12 to 0 with 2 absent.

#11-G. Chairman Puhr presented RESOLUTION NO.2016-6 approving Professional Services Agreement with Corbin Design Group for Wayfinding and Signage Study in the amount of $57,920.00 with funds to come from the DATS-Program-Professional Services budget, moved to dispense with the reading and asked for approval as recommended by Committee during a special meeting held before the Council meeting, seconded by Alderman Cooper. Alderman Hoskins questioned the need for the study and Director Vinson responded DATS determined the need for directions for people in movement such as in vehicles or pedestrians from the interstate to downtown and historic signage for the historic area. The signs would also establish trust for the visitor to the Community. Mayor Eisenhower stated the Danville Area Convention and Visitors’ Bureau has also pushed for a sign project for a long time to promote tourism. Alderman Foster asked if the signs could be made in the City’s sign shop and Director Vinson responded the project is to work with the sign shop to see what their existing capabilities are and suggest signage in some fashion that can be built and maintained within the sign shop. Alderman McMahon stated there is a lot of time spent on giving directions when visitors come to Illini Skateland. Director Vinson also stated there was recommendation from the East Main Street Corridor Study for a wayfinding and signage study for activities in the Community such as at DACC and the VA. There being no further questions or discussion, the roll call vote being:
Ayes: Aldermen Randle, Cooper, Puhr, Foster, Brown, Hoskins, Davis, McMahon, Stone, Williams, Pickering, O’Kane
Nays: None
Absent: Aldermen Nichols, Strebing
Motion carried 12 to 0 with 2 absent.

#11-H. Chairman Puhr presented ORDINANCE NO. 9031 vacating Ordinance No. 8984 Pertaining to Vacation of Streets or Alleys, or part thereof, pursuant to Chapter 30 of the City Code which corrected
a presumed typographical error in Item "A" in Ordinance No. 6844 as the legal description of Item "A" in Ordinance No. 6844 is correct, moved to dispense with the reading and asked for approval as recommended by Committee, seconded by Alderman Cooper. There being no questions or discussion, the roll call vote being:

Ayes: Aldermen Cooper, Puhr, Foster, Brown, Hoskins, Davis, McMahon, Stone, Williams, Pickering, O’Kane, Randle

Nays: None

Absent: Aldermen Nichols, Strebing

Motion carried 12 to 0 with 2 absent.

#11-I..Items of Information

- Director Ahrens reported the salt trucks are ready to go if there is a snow event.
- Director Ahrens reported the final bill has been received from sanitary sewer project that took place on Jackson Street and is in excess of $20,000.00 so there will be a resolution forthcoming.
- Director Ahrens announced a temporary fix has been done on the Koehn Creek interceptor; however, there has been another sanitary sewer failure at Cleveland & Delaware Streets.
- Mayor Eisenhauer extended kudos to Director Beith who has done an excellent job at staying on top of the DMT transfer zone project issue as the State has failed to appropriate any money through its' lack of a budget process and the project has been on hold. The State decided to evaluate each of the projects that have been submitted and Director Beith has put together a fantastic argument as to why the transfer zone project should be included in the special set aside funds. She has also been working with our State legislators to encourage them to utilize any political influence they have in seeing the project move forward.

[The next Public Works meeting is scheduled for Tuesday, February 9, 2016 at 6:00 p.m.]

#12...PUBLlC SERVICES COMMITTEE REPORT

#12-A..previously removed.

#12-B.. Mayor Eisenhauer called upon Vice Chairman Foster in the absence of Chairman Nichols to present RESOLUTION NO. 2016-7 authorizing Danville Public Building Commission to Upgrade Parking Lot Lights to LED at the Public Safety Building at a sum not to exceed $40,000.00, with funds to come from the Danville Public Safety Building Capital Improvement Account budget, moved to dispense with the reading and asked for approval as recommended by the City/County Public Safety Building Committee, seconded by Alderman Brown. There being no questions or discussion, the roll call vote being:

Ayes: Aldermen Puhr, Foster, Brown, Hoskins, Davis, McMahon, Stone, Williams, Pickering, O’Kane, Randle, Cooper

Nays: None

Absent: Aldermen Nichols, Strebing

Motion carried 12 to 0 with 2 absent.

#12-C..Vice Chairman Foster presented RESOLUTION NO. 2016-8 authorizing Danville Public Building Commission to Upgrade Jail Security & Surveillance Systems at the Public Safety Building at a sum not to exceed $90,000.00, with funds to come from Danville Public Building Safety Building Maintenance Account budget, moved to dispense with the reading and asked for approval as
recommended by the City/County Public Safety Building Committee, seconded by Alderman Brown. There being no questions or discussion, the roll call vote being:

Ayes: Aldermen Foster, Brown, Hoskins, Davis, McMahon, Stone, Williams, Pickering, O’Kane, Randle, Cooper, Puhr

Nays: None

Absent: Aldermen Nichols, Strebing

Motion carried 12 to 0 with 2 absent.

#12-D..Items of Information

- Vice Chairman Foster asked Mayor Eisenhauer to give an update on the consideration of major improvements to the Public Safety Building through a possible bond issue. Mayor Eisenhauer stated there was an analysis of the Public Safety Building, which is owned under the authority of the Danville Public Building Commission with the City and the County paying into the building operations and capital expenditures based on the actual square footage that each uses. The City is responsible for 30% with the County being responsible for 70%. Mayor Eisenhauer stated he and Chairman Marron reviewed necessary capital projects and there are some extremely large and significant expenditures that need to be made to the building such as in the HVAC system, a need for a generator, and other maintenance issues. The Capital Improvement budget within the Danville Public Building Commission only allows for the appropriation of one to two capital projects a year and there could be a need for an emergency purchase if one of the large items fails. Another issue is some of those items will grow in costs over time. We are reviewing to see if the most appropriate action is to take out a bond. The County is currently going through the process of bonding and looking to see if that is the appropriate action at this time. If the County agrees on bonding, then the City would join in that bond. The benefit we have is we are currently paying on a loan for a 2001 bond for the PSB and we would have the ability to refinance that bond because it is callable so we could combine the two and have a lower bond payment than what we would have had not been available to us.

- Vice Chairman Foster announced the next Public Services Committee meeting is scheduled for Tuesday, January 26, 2016 at 6:00 p.m.

#13...ITEMS OF INFORMATION

- Alderman Brown congratulated Administrator Finch for the successful MLK Celebration event and a job well done.

- Alderman Hoskins announced the Pony League field at Producers Park now has grass in the infield and there are four or five tournaments lined up to play there.

- Alderman Davis recognized the recently appointed Vermillion County Board Member Phearne Butler who replaced Ivadale Foster.

#14...CLOSED SESSION was not needed.

#15...ADJOURNMENT

There being no further business to discuss, the meeting was adjourned by acclamation at 7:25 p.m. following a motion by Alderman Hoskins and a second by Alderman Davis.

Community Development
Public Hearing
For the
City of Danville
2016-2017 Annual Action Plan

January 20, 2016
10:30 a.m.
City Council Chambers
17 W. Main St., Danville, IL

The public input hearing meeting was convened at 10:30 a.m. by Community Development Rehabilitation Specialist Angie Jestis to provide an opportunity for public comments concerning the use of CDBG grant funds for the 2016 Annual Action Plan. Staff was available for questions and comments from 10:30 a.m. central standard time until 10:50 a.m.

There was no public in attendance.

I, Lisa Monson, City Clerk of the City of Danville, Illinois do hereby certify that the foregoing is a true and correct copy of the minutes taken for the Public Hearing held January 20, 2016.

Lisa Monson, City Clerk
Editorial: Help city spend its grant money

Posted: Tuesday, January 19, 2016 6:41 am

Danville officials expect to see about $800,000 in federal Community Development Block Grant funds in the 2016-2017 fiscal year, and they would like to hear from residents how that money should be spent.

Community Development Block Grant money can be used for improving housing and creating economic opportunities — jobs — for low-income residents. It also can be used, according to the Department of Housing and Urban Development's website, to "stabilize neighborhoods."

Danville aldermen will vote tonight on a proposal to use more than $124,000 in CDBG money to help Danville Metal Stamping expand its operations into the former Ball Corp. facility near Lynch Drive. That money has accumulated from CDBG allotments in years past.

Public comments are being sought beginning this week on how to spend to new grant. Recent uses included making homes more accessible to those with disabilities, demolition of dilapidated buildings in city neighborhoods and making improvements to houses in the Vermilion Heights neighborhood.

Decisions made about how to spend the CDBG money can make a real difference in the community. Mayor Scott Eisenhauer recently said as many as 1,000 structures in the city are reaching the point where they might have to be torn down. That's a significant project for the city, one that might take several years to complete. And then comes the task of filling in those vacant lots in the community's neighborhoods.

Share your ideas with your aldermen or with the mayor at city hall. Don't sit silently by and allow others to make the decision. The Community Development Block Grant funds belong to the community. Residents should help decide how they are spent.
Center City Neighborhood Association

Resolution No. 14-1

Whereas, the Center City Neighborhood Association is a Neighborhood Association formed under the guidelines for Neighborhood Associations established by the City of Danville, Illinois, and

Whereas, the Center City Neighborhood Association is bordered by Fairchild Street, Gilbert Street, Voorhees Street, and Jackson Street including the east side of Jackson Street, and

Whereas, many homes are in need of repairs within the CCNA area and many of the homeowners require financial assistance in order to make those repairs, and

Whereas, the Center City Neighborhood Association is desirous of receiving Community Development Block Grant funding for qualified homes within its area.

Now, therefore be it resolved by Center City Neighborhood Association that:

1. The Center City Neighborhood Association petitions the City of Danville to make its area eligible for Community Development Block Grant Funds, and
2. This Resolution has passed unanimously.

Bill Wallpe, President

Passed 9-4-14

Center City Neighborhood Association
We support this Resolution and Petition the City of Danville to make our area eligible for CDBG funds.

RE: Community Development Block Grant (CDBG)

Dear Ms. Bagby,

Your Family Resource Connection is an Illinois not-for-profit corporation classified 501(c)3 by the Internal Revenue Service. It is governed by a volunteer community board of directors and it supports the needs of homeless women and their children, persons dealing with the issues of domestic violence and working families who need child care.

(1) Given the age of the building maintenance and repair is costly. The west main entrance to the building has a serious roof leak that has caused delamination of plaster from the lath and pieces have fallen to the floor. Given the vulnerable nature of the women and children receiving services in the building security needs to be enhanced with lighting and closed circuit cameras focused on the north parking lot. Also lighting in Y’s Buys (thrift store) needs to be replaced since the fixtures are obsolete and cannot be maintained. Cost of roof repair, installation of parking lot cameras and lights as well as lights for the thrift store is $12,590.

(2) Carpet as a floor covering does not hold up to the abuse of people traffic through main hallways and the staff office on the second floor. The carpet is stained and needs to be replaced with vinyl tile. Cost of installation is $7,410.

(3) The north parking lot, bound by Jackson, Hazel and Madison is hazardous to the people served, employees, visitors and the cars they drive. Replacement with concrete would provide a permanent solution that will be easy to maintain. To be in compliance with code, landscaping would also be installed to improve the overall appearance. Cost of the project is $75,562. In times past when the cost of a project is this high we worked with the City of Danville to plan a phased project to keep the one year cost at approximately $25,000 per year so the span of the project would be three years.

Thank you for the opportunity to provide this information.

Yours truly,

RE: Community Development Block Grant (CDBG)

Dear Ms. Bagby,

Crosspoint Human Services is an Illinois not-for-profit corporation classified 501(c)3 by the Internal Revenue Service. It is governed by a volunteer community board of directors and it supports the needs of persons with mental illness, developmental disabilities or veterans.

The oldest portion of Crosspoint’s facility located at 210 Avenue C is the portion of the old McKinley School that housed the gym and stage. Through a remodeling and repurposing, the building now houses offices and classrooms for employees and persons served. The roof of this building is comprised of three flat sections and a brick wall in serious need of tuck pointing. The roof needs complete tear off and replacement. The cost of tuck pointing and roof replacement is $100,000.

The total cost is substantial. Since the roof is in sections perhaps the City of Danville would consider a phased project. The first phase is critical since leaking is being prevented by temporary patches. The two small flat roofs requiring immediate replacement would only cost $8,723.

Please consider the plan for addressing the total need and its first phase. Thank you.

Sincerely,

Subject: RE: Community Development Block Grant Program Annual Update
Attachments: Jackson Street Artwalk Project Guidelines.docx

Liila,

The City would like to suggest that the Jackson Street ArtWalk Project be funded in part by CDBG funding if allowable. This project will work to improve the visibility of crosswalks along Jackson Street, from Winter Avenue to Williams Street. The corridor currently experiences a high level of pedestrian activity due to its’ proximity to an elementary school, middle school, high school, and numerous residential areas. In addition to visibility, this crosswalk project will help improve the appearance of crosswalks and give the users of the corridor an opportunity to be a part of the change (in terms of donating funds or volunteering time). This project will highlight a partnership between the City of Danville, School District 118, and the community at large, to improve the safety of pedestrian movements along the Jackson Street corridor.

Let me know if you have any questions.

Kind regards,
Jackie (Marganski) Vinson

Subject: Community Development Block Grant Program Annual Update

The City of Danville is a direct entitlement community and receives funds directly from the federal government for the Community Development Block Grant (CDBG) program from HUD. The program is intended to develop viable communities by providing decent housing, a suitable living environment, and opportunities to expand economic opportunities, principally for low- and moderate-income persons.

Every year the city updates its Annual Action Plan, which provides a concise summary of the actions, activities, and the specific federal and non-federal resources that will be used each year to address the priority needs and specific goals identified during the consultation process.

It is time to update the Annual Action Plan. Please reply by January 13th, with your organizations top three needs. These can be the needs of your clientele, needs of the property/building or needs of the organization.

1.
2.
3.

This is not a guarantee of funding but an assessment of the community’s needs.
Hi, Liila:

Sorry not to make your 1-13 deadline but this is the first day I’ve had at my desk all week...again....

As mentioned when we spoke briefly at the city council meeting on Tuesday evening, the purpose for which we usually request dollars on behalf of economic development projects is to fill gaps for site acquisition/infrastructure improvement assistance and/or equipment purchase for new or expanding industry. As mentioned at the meeting, just lately there have been a couple of occasions where we have sought to use these dollars to assist with new retail projects – Ruler being the only one that actually occurred. So, not knowing what projects will emerge during this next grant year period, the aforesaid stated uses are as specific as I can be. The stated uses are pretty standard. Being able to identify who the companies may be to assist changes by the day.

Let me know if you need any further information.

Vicki

1. Comprehensive community health support for mental & physical illness

2. Business development to provide opportunities for students to engage with progressive businesses near the high school campus

3. Visible and proactive community safety initiatives

This is not a guarantee of funding but an assessment of the community’s needs.
Hi there –
Happy New Year!

My biggest needs for the families that I work for are emergency housing for families, emergency housing for teens and easier, more accessible public transportation for families.

Thanks!
Trish

Thank you. CRIS is grateful to participate. We know we have many needs, and numerous persons with disabilities coming in and out of our doors. May we request the paving of our parking lot and re-striping to add more disability spaces?

Public Notice

The City of Danville will host three open meetings to present its draft of its Annual Action Plan for 2016-2017. This plan on housing and community development activities describes the City's design for utilization of federal funds totaling approximately $888,767, administered by the Department of Housing and Urban Development identified under the Community Development Block Grant (CDBG) Program. Community Development Staff will be available to answer questions concerning past programs and future plans. Suggestions and concerns will be recorded and considered in accordance with the City's Citizen Participation Plan Chapter 2.05, §A, (3). The Plan addresses activities directed at housing for low and moderate income families, housing for special needs populations, infrastructure supporting neighborhoods, blight removal, and economic development opportunities. The proposed Plan can be viewed on the City's Homepage at www.cityofdanville.org, and copies are also available for public inspection at the following locations:

Office of the City Clerk
Robert E. Jones Municipal Building
17 West Main Street
Danville, IL.

Danville Public Library
319 North Vermilion
Danville, IL.

Other information on the subject can be obtained by contacting the Department of Urban Services-Community Development at 431-2286 weekdays between 8:00 a.m. and 4:00 p.m. The public is invited to attend at the following dates and places:

Monday, February 22, 2016, 10:00 a.m.    Robert E. Jones Municipal Building
                                          City Council Chambers
                                          17 West Main Street, Danville, IL

Community Development
Public Review Hearing
For the
City of Danville
2016-2017 Annual Action Plan

February 22, 2016
10:00 am
City Council Chambers
17 W. Main St., Danville, IL

The public hearing was convened at 10:00 am by Community Development Planner, Liila Bagby to provide an opportunity for public comments concerning the 2016 Annual Action Plan. Materials and staff were available for questions from 10:00 am central standard time until 10:20 am.

There was one person present Alderman Sharon Pickering.

Pickering had the following questions and staff responded with the following:

1) How are the target areas chosen?
   Staff responded by noting that the target area is based on a set of criteria set by HUD, an area has to meet certain income requirements to be designated as a target area. Then for specific programs such as the Housing Rehab Program the city partners with an active neighborhood association to work within those boundaries.

2) What are the income requirements for the programs?
   The income requirements are set by HUD, and are based on a threshold of 80% of the Median income. Staff provided the alderman with the actual income guidelines.

3) What is the application process?
   The application process for the specific project activities varies. For the Housing Rehab program an initial survey is sent to all residents of the target neighborhood. Residents are asked to return the survey, then a second mailing will be done and if a potential applicant can answer yes to all the questions asked they are asked to call our office for an application. After the deadline date of accepting applications, these applications are then scored. The applicants (number of projects that we have funding for) with the highest scores are then taken to the housing committee for approval. After these approvals the process of verifying the approved sites (applicants) will take place.
For the Neighborhood Impact Program people interested should contact Angie Jests. Inquiries will be taken for present funding and possible future funding. The application process doesn’t take place until sites (inquiries) have been approved by the housing committee and funding is available. Then the approved sites will be asked to fill out an application and the verification process will begin.

4) What is Blight Removal?
The Blight Removal program is used for demolitions in the city. Inquiries on specific locations selected should be directed to the Public Works Director.

Bagby thanked the Alderman for her questions and the meeting was adjourned at 10:20 am.

I, Lisa Monson, City Clerk of the City of Danville, Illinois do hereby certify that the foregoing is a true and correct copy of the minutes taken for the Public Hearing held February 22, 2016.

Community Development
Public Review Hearing
For the
City of Danville
2016-2017 Annual Action Plan

February 23, 2016
6:00 p.m.
City Council Chambers
17 W. Main St., Danville, IL

The public hearing was held during a Public Services Meeting at 6:00 p.m. as item # 4 of the February Public Services Agenda.

Manager Chris Milliken informed those in attendance that a draft of the 2016 Annual Action Plan was out for Public Review. He mentioned that this was the final of the three public hearings that would take place and thanked Alderman Pickering for her attendance the previous day to one of the hearings. He noted that the allocations had been released and the City of Danville’s allocation for the 2016 year had increased by $3,620 from the previous year and that would be put toward the Neighborhood Impact Program.

The chair then opened the floor for comments or questions.

Lynn McLinden asked that if the public hearing was still valid even though the public services committee did not meet Quorum. The Chair said that yes it would be because they were not voting on anything for the public hearing.

Other comments included Alderman applauding admin for the direction the city is heading and the nice mixture of programs included in the annual action plan. Thanking Alderman Pickering and Alderman Randle for stepping up and learning more about the programs and requirements.

Alderman Stone appreciated administration and staff for stepping forward and listening to the public in their comments that is a great step forward from the past.

Randle asked Milliken to share with Audience what he discussed with staff in regards to removing a line from the program allocations and looking at alternative sources of funding.
Milliken shared that Alderman Randle expressed his concern with demolitions and how that program was taking funding away from other housing programs. The question becomes how can we move towards finding other sources of funding to supplement demolitions.

Alderman Randle noted he wanted the public to be aware that this dialogue was going on behind the scenes. He added that we need to start thinking creatively and out of the box to create alternative sources of funding for demolitions.

No other questions or comments were made. The hearing was then concluded at 6:10 p.m.

There were 22 people in attendance.

I, Lisa Monson, City Clerk of the City of Danville, Illinois do hereby certify that the foregoing is a true and correct copy of the minutes taken for the Public Hearing held February 23, 2016.
