## #7...PETITIONS, COMMUNICATIONS, AUDIENCE COMMENTS

- Susan Willaman of Bowman Avenue requested a sign be erected in Danville in honor of her daughter, Molly Reeves. She was crowned 2007 Miss Georgetown Fair Queen and 2008 Miss Illinois County Fair Queen and traveled all over the State promoting Vermilion County and representing Danville and Georgetown. Competing in Miss Illinois this past June, she received an award for leadership, humility, and compassion.

Ms. Howell stated the City competes with other private businesses, including garbage collectors, and that other public courses in Danville have many more amenities to offer besides golf than what Harrison Park is able to offer.
- Attorney Chris Meyer, representing Petitioner Marvin Davis, Jr. and Brent Barnett, spoke support of Special Use Petition #210 for 128 N. Walnut St. He stated the building was a bar for several years but due to being vacant, there is a need for the Special Use, and that the petitioners are working hard to bring the building into compliance with safety and building codes. The desire is to open a bar for clients 25 years old and older and security staff will be hired to monitor any issues.
- Attorney Kelly Freed, representing Petitioner Debra Manning, spoke support of Zoning Petition #227 and Special Use Petition #211 for 2001E. Main St. He stated the petitioner's father owned the Satellite for over 60 years and due to his failing health and subsequent death several years ago, the business was closed, which also is what triggered the need for the special use permit process. It is the desire to bring the building up to Code and to reopen the business along with other family members.
- Debbie Manning spoke on her own behalf and stated she, her brother, and sister-in-law would like to improve the area, bring jobs and revenue by reopening the neighborhood bar and, in the near future, to serve lunch to area businesses.

#11-F..RESOLUTION NO. 2011-131 approving a Golf Management Employment Agreement with Brock Burton dba Take A Shot, LLC for term January 1, 2012, through December 31, 2014, for a salary of \$61,800.00, with 85% from Harrison Park Golf Course Enterprise Fund and 15% from Parks & Public Property Budget – General Fund;

#11-G..ORDINANCE NO. 8761 amending Chapter 39.07 Wage Administration Chart in order to change position classification 245.0 Golf Course Operation Foreman to Assistant Superintendent - HPGC with a salary range of \$39,524.00 to \$43,476.00 and to change position classification 181.0 Recreation & Public Facilities Manager to Golf & Sports Facility Manager with the same salary range of \$54,545.00 to \$60,000.00;

Alderman Foster voiced concern with increasing salaries for some employees while others are being asked to take a freeze. Questions were raised regarding duties of both positions and the salary and commission of the Golf Course Manager. Director Ahrens clarified there is no salary increase for the

Golf Course Manager and that he pays for all salaries and associated employment costs of his assistant, Pro Shop counter staff and cart staff as well as self-employment tax. Manager Burton's salary plus commission minus lease amount is comparable to the contract of former Golf Manager John Smith in that the net amount is about \$65,000.00 for both, with Mr. Burton having more responsibilities. The position that Mr. Burton held prior to the reorganization is being eliminated and the duties are being split with other personnel. The position of Golf Course Operation Foremen, held by Mr. Nourie, will be changed to Assistant Superintendent with increased duties. The salary increase for Mr. Nourie is based on current salary plus overtime being paid now due to the increased duties and that with the new classification, overtime will now only be paid under certain circumstances as approved by Mayor. It was also clarified that no property taxes or dollars from the General Fund are used for the operation of the golf course and that 1% of Hotel Motel Tax, which was approved by the Council several years ago when the tax was established, goes into the Capital Infrastructure Improvement Fund for equipment used on the course. After all questions were addressed, the roll call vote being:

Ayes: Aldermen Strebing, O'Kane, J.Cooper, B.Gilbert, Puhr, Nichols, Foster, L.Cooper, A.Gilbert, Stone

Nays: Alderman Williams

Absent: Aldermen Black, Davis, McMahon

Motion carried 10 to 1 with 3 absent.

#11-H..Vice Chairman B.Gilbert presented ORDINANCE NO. 8762 vacating an East/West and a North/South Alleyway adjacent to 502 E. Main Street for Holy Family Catholic Church, with compensation being waived, moved to dispense with the reading and asked for approval without Committee recommendation, seconded by Alderman Puhr. Assistant Attorney Rich Dahlenburg provided a memorandum of background information and addressed questions, as follows:

- the platted east/west alleyway only extends half way between Park Street and Elizabeth Street and the remaining drive extending to Elizabeth Street is Holy Family property;
- the school building was built more than 20 years ago on top of the east/west alley, as well as the North 15 feet of the north/south alley;
- the east/west driveway has been presumed an alleyway and is used by travelers to detour around the stop light at Main Street and Park Street, creating safety hazards for people leaving the building;
- Fire Lane signs were posted along the fence on Holy Family property to prevent parking along that portion of the north/south alley at the request of Holy Family but no such "fire lane" exists;
- the north/south alley provides access to a resident's garage at 13 Park, adjacent to the Holy Family parking lot, which can be accessed from the south from Wolfe Court that runs east of Park Street;
- access to anyone living on Wolfe Court by emergency personnel will be from Park Street;
- one-way traffic designations have not been established by the City for the north/south alley or for Wolfe Court;
- the resident at 13 Park has the ability to take garbage toter through the side yard to the front for street side collection; and
- Father Ted, representing Holy Family, stated there are currently no plans to fence the western portion of the property along Park Street since the school is closed.

Assistant Attorney Dahlenburg stated that the east/west alley appears to not have been vacated at the time the school building was built, through no fault of anyone currently involved, and that it is the recommendation of staff to grant this vacation in order to correct the records of the City and County to

accurately reflect the actual situation of the alleyways and private property. After all questions were addressed, the roll call vote being:

Ayes: Aldermen Strebing, O'Kane, J.Cooper, B.Gilbert, Puhr, Nichols, Foster, A.Gilbert, Stone, Williams

Nays: Alderman L.Cooper
