

Downtown Christmas Passport

Visit the participating businesses between November 24th and Christmas to get your passport stamped (no purchase necessary). When the passport is full, turn it in to City Hall, the Danville Public Library or the Visitor's Bureau. You'll be entered for a chance to win one of the Christmas baskets put together with the help of your favorite downtown businesses! Passports must be turned in by December 27th. The drawing will be held December 30th.
