Available Collections:

Large Item Collection, Major Cleanup and Minor Cleanup. The first Minor Cleanup Collection for that property for that year is free, but the remaining collections do require payment prior to pickup.

All collections (Major, Minor and Large Item) need to be scheduled at least 2 business days in advance. So what are Major, Minor and Large Item Collections?

Let’s start with the Large Item Collection...

Large Item Collection is up to 3 large items. More than 3 and it becomes a Cleanup Collection.

Examples are:
- Small appliances: Dishwasher, microwave
- Large and small furniture, mattress and box spring, carpeting (1 room or less—cut and rolled in less than 4 ft. lengths and less than 50 lbs. per bundle).

You can schedule 3 - Large Item Collections in a calendar year. After that, a $15 fee per large item will apply.

A Word To Our Customers....

Here at the Solid Waste Division of Danville Public Works our top priority is customer service. To us, that means we pick up all residential solid waste 4 days a week.

That’s an average of:
- 10,700 stops per week
- 44,940 stops per month
- 556,400 stops per year

The cost to our residents for this service is one of the lowest monthly charges in Central Illinois, municipal or private.

The remainder of your solid waste fee supports the City’s yard waste collection and recycling of over 1400 tons of material, the street sweeping of approximately 190 miles and the solid waste capital equipment program.
