DANVILLE CITY COUNCIL
JANUARY 5, 2021

#1...THE REGULAR MEETING of the City Council of the City of Danville was called to order at 6:03 p.m. by Mayor Rickey Williams, Jr. at the Robert E. Jones Municipal Building, 17 W. Main Street, Danville, Illinois.

[Due to Coronavirus, COVID-19 the meeting was conducted in a combination of in person and virtual attendance through audio/video access using a virtual meeting platform to maintain social distancing during the duration of the Gubernatorial Disaster Proclamation and Public Act 101-0640. The meeting was streamed live on the City of Danville website’s homepage: www.cityofdanville.org.]

THE ROLL CALL was answered by Mayor Rickey Williams, Jr. [physically present]. Elected Officials Present via Videoconference were Vice Mayor Bob Iverson, Aldermen Brenda Brown, Sharon McMahon, Michael O’Kane, Sherry Pickering, James Poshard, Michael Puhr, Tom Stone, Rick Strebing, Aaron Trogli, and Robert Williams with a Vacancy in Ward 7. Absent were Aldermen Dan Duncheon and R.J. Davis. A quorum was present.

Staff Members Physically Present: City Clerk Lisa Monson, Information Technology Administrator Agnel DSilva, and Information Technology Assistant Administrator Aaron Weaver.

Elected Official Appointee Present: Darren York

Staff Members Present via Videoconference: City Comptroller Ashlyn Massey, City Engineer Sam Cole, Grants & Planning Manager Logan Cronk, Human Relations Administrator Sandra Finch, Fire Chief Don McMasters, Police Chief Chris Yates, Public Transportation Director Lisa Beith, and Public Works Director Carl Carpenter.

Various members of the public and media joined the electronic meeting via YouTube live video streaming.

#2...INVOCATION was given by Alderman Brenda Brown, followed by

#3...THE PLEDGE OF ALLEGIANCE led by Mayor Williams.

#4...THE MINUTES of the regular meeting held, December 15, 2020, having been published and distributed, were presented. Alderman Stone moved for approval as presented, seconded by Alderman Brown. On the voice vote, all ayes, no nays; the motion so ordered.

#5...THE AGENDA for the evening was presented. Alderman Strebing moved for approval as presented, seconded by Alderman Poshard. On the voice vote, all ayes, no nays; the motion so ordered.

#6...MAYOR’S REPORT
#6-A...Proclamations – None
#6-B...Board/Committee Appointments
#6-B-1) Mayor Williams announced the appointment of Steve Foster to the Vermilion Regional Airport Authority Board, replacing Tom Day, term to expire December 31, 2025. Alderman Puhr moved to concur, seconded by Vice Mayor Iverson. On the voice vote, all ayes, no nays; the motion so ordered.

#6-B-2) Mayor Williams announced the appointment of Darren York, 2829 Townway Road,
to replace Steve Foster as Ward 7 Alderman until the 2021 Consolidated Election. Alderman Strebing moved to concur with the appointment, seconded by Alderman McMahon. Mr. York was previously employed by Aunt Martha’s and is currently a Senior Rehabilitation Counselor with the Illinois Department of Human Services. He is the former president of the Danville Soccer Association, is very active in his church, and has attended community peace marches and rallies. He is a member of the Human Relations Commission and he is married to Barb, who is a teacher at Danville District 118. Their oldest daughter Emma is in college, his son, Moweis, is a student at Danville High School, and his youngest daughter, Anna, is a student at Southview Upper Elementary School. Vice Mayor Iverson stated people in Ward 7 expressed the idea that perhaps the City should appoint someone who is not running in the next election because being appointed would give them an unfair advantage, but he advised them it is the Mayor’s call and there is no reason to oppose Mr. York because he looks like he will be a fine candidate. He also stated the only reason we would oppose it is if there is a real problem with the candidate and that is not the case here. It should be noted that incumbents will tell you, sometimes being an incumbent is a two-edged sword because often incumbents are often defeated in the next election so it is not necessarily giving them an advantage. He will gladly support the Mayor’s choice and he is delighted to say we have two deserving candidates for Ward 7 in the upcoming election. Mayor Williams stated he interviewed both Mr. York and the other Ward 7 candidate Ms. Huber and they are both good people of good character. They both care about Danville. He has found after talking to Mr. York he is a man of integrity and really cares. He has encouraged Mr. York previously to run for office and he has not before because he has had many obligations with family and work and such, but now he has a little more time and he feels like he is prepared to serve. Again, Ms. Huber is a fine person and a great candidate as well; however, in talking to both of them, he feels Mr. York more closely represent the folks in Ward 7. He stated it made no sense to him to have a shadow or stand-in person and this will give the people of Ward 7 an opportunity to see if they like Mr. York and if he does a good job, great and if for some reason they decide he is not the best person for the job, then that would be their choice. There being no further discussion, on the voice vote, all ayes, no nays; the motion so ordered.

Mayor Williams then administered the Oath of Office to Alderman York. Mayor Williams announced Alderman York will be present for the rest of the meeting, but will not be voting on action agenda items.

#6-C...Reports of Boards, Agencies, Commissions
Administrator Finch announced the 2021 MLK Celebration will host only one event this year because of COVID. The service will be held on Monday, January 18, 2021 at 11:30 a.m. at St. James United Methodist Church. The winner of the MLK Scholarship will be presented at the service. The service is not open to the public due to COVID-19, but the program will be live streamed on the St. James Facebook page and also can be viewed on the St. James website. Mayor Williams stated Administrator Finch will be sending a press release to the media so the public knows how to view the event. Information will be shared on his Facebook page as well as the City website.

#6-D...Items of Information
Mayor Williams reported on the following items:
- The downtown Harrison Street project has been completed. Mayor Williams congratulated Engineer Cole, Manager Cronk, Director Carpenter, and Manager Ruwe as well as our partners on the project, Ribbe Trucking for a job well done.
- Public Works employees were thanked for all of the work done on lighting up Danville during the holidays.
- Mayor Williams announced he has some good news to share and asked Manager Cronk to explain it. Manager Cronk stated Illinois Housing Development Authority (IHDA) has awarded the City a grant from the Stronger Communities Program (SCP) for a maximum cap of
$175,000.00, which will be allocated for demolitions. Mayor Williams thanked Manager Cronk for the fantastic news as there are still a lot of houses that need torn down.

- Mayor Williams asked everyone to keep Alderman Davis in prayer, as he is not feeling well.

#7...PETITIONS, COMMUNICATIONS, AUDIENCE COMMENTS
[Public input was received by e-mail and submitted to the City Clerk’s office prior to the meeting. Mayor Williams read the public comments per Council rules and time limits.]

- Cindy Parr-Barrett of Danville spoke concern regarding the Covid-19 Pandemic stating numbers are getting worse in Danville and the County. The Vermilion County Health Department is having difficulty keeping up with contact tracing. I want life to go back to normal but things must be done in a manner that ensures the safety for all of our citizens. The approach should be proactive and not reactive, and we need to encourage innovation, adaptation, and change into our dialogs when looking to the future. As elected officials, please use your platforms and voices wisely.

- Nancy O’Kane of Danville spoke concern regarding trash and toters in neighborhoods. As a past member of Keep Vermilion County Beautiful, and former Environmental Inspector, I feel I have some expertise and perspective on this issue. Toters are being abused and used improperly, and trash in neighborhoods gives the appearance of an uncaring and permissible society that permeates the many issues we are seeing in our neighborhoods. Toters that have no lids have become such a problem that trash is everywhere, especially when garbage is not contained in bags. I understand the toters are no longer under warranty, but the no lid issue should have been addressed city wide before this occurred. I pick up in my neighborhood several times a week, due to the toters that sit out without lids and loose garbage. So who is going to address this issue. I also feel the street sweepers would be much better served in the neighborhoods that have the trash issues. I ask you to consider this when setting a schedule in the spring. I am asking and pleading that you form a plan over the winter to address these issues in the spring to promote cleaner neighborhoods.

#8....ZONING PETITIONS – None

#9....PAYROLL
Mayor Williams presented the Payrolls, having been published, posted, and distributed, for run of December 18, 2020, of $531,692.02, for run of December 23, 2020, of $70,478.44, and for run of December 31, 2020, of $531,107.96. Alderman Strebing moved to dispense with the readings and asked for approval as presented, seconded by Alderman Stone. There being no questions or discussion, the roll call vote being:

Ayes: Aldermen O’Kane, Iverson, Strebing, Puhr, McMahon, Brown, Poshard, Stone, Williams, Troglia, Pickering

Nays: None

Absent: Aldermen Davis, Duncheon

#12-F...RESOLUTION NO. 2021-6 authorizing Early Loan Payments on 2002 Pierce Fire Truck Refurbishment Loan, as the City entered into a short-term loan agreement for the refurbishment of platform aerial truck and has three remaining payments on the loan due May 30th of 2021, 2022, and 2023. Executing loan payments early could result in significant savings related to borrowing interest and executing an early loan payment in the amount $192,325.74 (annual payment $96,162.87 x 2) will result in only one remaining payment due May 30th, 2021 and the loan would be closed two years early. The payment shall come from line item 302-302-00-054005 Repay Loan.

Comptroller Massey reported she submitted the last reimbursement request for the local CURE’s program today of almost $300,000 with already $1 million dollars being processed and approved and about $1 million dollars has been deposited into the City bank account. Comptroller Massey stated the funds are set aside for the scheduled payment for the excavator loan we would be making five months early, in Item 12-D, and she expects to save a little over $4,000.00 in interest and the loan will be paid off. Comptroller Massey explained Item 12-E authorizing various budget amendments by stating there are two items happing in the resolution: 1) taking the casino tax out of the budget now that we are mid-year into the budget which flows to three different funds (Fund 098, 099, 302). Funds 098 and 099, Fire Pension and Police Pension respectively, will need to be increased by adding a General Fund transfer into those funds to meet the statutory minimum for pension payments. Fund 302 will be decreased from expenditure lines. 2) we are a few months in to receiving the 3% retailers occupation tax (cannabis tax) and we are very pleased with the funds that are coming in and
Comptroller Massey is anticipating the City will exceed the original $300,000.00 budgeted for the year. The revenue was set up for two thirds of the cannabis money to go in to Fund 310 and after looking at it, she recommends Fund 310 is not the fund that needs it the most. She stated Fund 310 is healthy with home rule tax that also goes into the fund so she suggests to move it to Fund 302 and also make some early loan payments out of Fund 302, which leads to Item 12-F, early loan payments on 2002 Pierce Fire Truck Refurbishment. She stated the loan could be paid off two years early with an anticipated savings of over $14,000.00 in interest. Alderman Brown stated she likes the way the reported detail is on the resolutions as it does not lead to a lot of misunderstanding and questions and was easy to review. She commended Comptroller Massey on her report and for making wise choices. Alderman Pickering stated she met with Mayor Williams and Comptroller Massey and was assured that moving money out of Fund 310 will not hurt the City on demolishing homes in this budget year, so she will be supporting resolution on Item 12-E. Chairman McMahon, Aldermen Strebing and Poshard thanked Comptroller Massey for all of her hard work on reviewing the funds in mid-year. After all questions were addressed and there being no further discussion, the roll call vote being:

Ayes: Aldermen McMahon, Brown, Poshard, Stone, Williams, Troglia, Pickering, O'Kane, Iverson, Strebing, Puhr
Nays: None
Absent: Aldermen Davis, Duncheon
Not Voting: Alderman York
Motion carried 11 to 0 with 2 absent and 1 not voting.

12-G...Chairman McMahon presented ORDINANCE NO. 9305 amending Chapter 116 of the City Code Pertaining to Taxation as Chapter 116 contains provisions regarding locally imposed taxes and said taxes include what is commonly referred to as the City’s Home Rule Sales Tax and there is a desire to amend such Home Rule Sales Tax, effective May 1, 2021 as follows: § 116.13 PROCEEDS OF TAX AND FINES. All proceeds resulting from the imposition of the taxes under §§ 116.10 and 116.11 including penalties, shall be paid into the treasury of the City and shall be credited to and deposited in the corporate fund of the City. At the end of each month the records will be examined and a portion of the proceeds shall be distributed as follows: 3% of the initial 2.50% to the Economic Development line item of the Infrastructure Improvement Fund 107 and 6% of the initial 2.50% to the Capital Improvement Fund 302, and 4% of the initial 2.50% to the Storm and Sanitary Sewer Fund 402, moved to dispense with the reading and asked for approval, seconded by Alderman Brown. Vice Mayor Iverson stated the idea behind the Storm and Sanitary Sewer Fund should not be funded by anything except money it generates and that is why the City is trying to move it out of the home rule sales tax where it has been going for a while, but he would like for it to be left in Fund 402 and maybe reduce some of the amount that we need in the new levy coming up in October. Mayor Williams stated discussion was done with former Counsel Mockbee legally that it is set up as an enterprise fund, we should not be using comingling outside funds for it. The fees should pay for the services and materials needed under that. He understands Vice Mayor Iverson’s concern, but he feels it is not legal to continue to do it the way it is currently being done. Alderman Strebing questioned if this came up in the audit. Comptroller Massey stated the annual audit is financial statement audits with the purpose being to make sure the financial statements accurately represent the financial activities of the entity, so not every year’s audit is necessarily a fraud audit. It is just to say do the processes and controls, balance sheets accurately represent the financial statements. Alderman Strebing stated there is the possibility we could hear about it in a later audit. Comptroller Massey stated the levy has been approved and filed with the Vermilion County Clerk. The funds as far as the budget for Fund 402, the budget has been approved and filed. If we do not approve this home rule ordinance, she would have to re-do parts of the budget and the ordinance sewer rates would have to be redone. This ordinance is a formality to follow the other things that Council has
already passed. After all questions were addressed and there being no further discussion, the roll call vote being:
Ayes: Aldermen Poshard, Stone, Williams, Troglia, Pickering, O’Kane, Strebing, Puhr, McMahon, Brown
Nays: Alderman Iverson
Absent: Aldermen Davis, Duncheon
Not Voting: Alderman York
Motion carried 10 to 1 with 2 absent and 1 not voting.

#12-H...Items of Information
Chairman McMahon announced the next Public Services Committee meeting will take place by videoconference on Tuesday, January 26, 2021 at 6:00 p.m.

#13...ITEMS OF INFORMATION
#13-A-1) COVID-19 Update and Discussion on Pandemic
Mayor Williams stated Alderman Duncheon requested this item be placed on the agenda, but he is not here this evening and asked if anyone else wishes to comment. Vice Mayor Iverson stated he can see both sides clearly. There are hundreds of new cases each week in Vermilion County and the number of deaths is climbing. He stated he is asked if there is something we can do to help slow down the virus. He stated we can pass a City mask mandate, but is not sure that would help because businesses, etc. already have on their door that patrons should wear masks and there is a statewide mandate. He voiced concern on what would the punishment be and who would enforce it. The Vermilion County Health Department is already tasked with too much right now to help with enforcement. He feels Danville is at a point in the pandemic where Mayor Williams could suspend health permits and liquor licenses for some non-compliant businesses. He stated perhaps the City could assist restaurants build heated outdoor facilities to help them stay in business. It is up to each of us to help end the pandemic. He asked everyone to love your fellow man by the following: social distance, order take-out, wear masks, wash your hands, and disinfect. He stated maybe the City can write to the businesses to encourage them to be careful. We have come to the point where this pandemic is hitting the City of Danville more than we ever thought it would and is frustrated there is not more he can do about it. Mayor Williams stated the vast majority of the new cases we are having are from one source, which is the prison; not the general public. He also stated the CDC is reporting 1.5% of the cases have come from dining in restaurants. Much of the public are having private gatherings in homes. He does not see a difference in having outdoor dining versus indoor dining. Mayor Williams clarified Vice Mayor Iverson’s comments by stating he does not control the health permits; only the liquor licenses. Those are solely the power of Vermilion County. Alderman Brown stated where do we go from here and voiced concern of the second strain coming to Danville. Alderman McMahon stated we have to protect each other and stay in your circles. She is out every day and wears her mask. She stated California and New York have the largest cases and they are the people who are locked down, so it does not help to lock people down. People need to be vigilant to protect themselves and protecting their loved ones. Vice Mayor Iverson stated we need to be aware of people we know and love and wear masks around small gatherings as well. He also added there have been 136 staff members from the prison who have had Coronavirus and those individuals are regular citizens who come back into the community because they live here. Alderman Brown suggested sending letters out to the businesses warning them of the second strain of COVID and asking them to enforce the mask requirements. She stated there are many people in the stores without masks on. Mayor Williams stated he has been in contact with both managers of Menard’s and Wal-mart who had a strong mask requirement early on and he was told even when they had people at the door with masks and there were a select few who refused to put them on, then the bigger problem was when folks were inside the store they would remove the masks. They also stated there
were some individuals who got irate and threatened violence. He stated he would not like to see any individuals getting hurt over this. Mayor Williams stated the letter Alderman Brown mentioned is a good suggestion.

Other Items of Information
Alderman Pickering referenced Nancy O’Kane’s audience comments and asked if there is anything that can be done about the garbage totes. Director Carpenter stated he will explain what the Public Works staff has done in the past. It takes a minimum of two people, which were Tracy Craft and himself, who would drive around town and start tagging everything. We have no authority to enforce it as that has to come from Code Enforcement. Then Public Works has to drive back by and Code Enforcement will have to go back out and check into it. As far as the recommendation that auxiliaries do it, if we are provided the money to hire two to four auxiliaries to do that all year long, he is okay with enforcing it that way. It cannot be done with the current personnel we have. He stated there is no simple answer for this and boils down to our society we live in, that people do not care and those that do have to pay the price for looking at those who do not. Alderman Pickering asked if the garbage men could put the address down and something be mailed to them that they need to correct the problem or be in violation and Director Carpenter responded this has been done in the past, but reminded everyone those garbage trucks are picking up 820 stops per day and if you go anywhere east of Bowman Avenue and have them start doing that, it is going to be awfully hard to get your garbage picked up in one day. Director Carpenter recommended addresses for violators be turned over to Code Enforcement. Further discussion ensued regarding the warranties on the trash toters, trash container lids, trash container repairs, and replacement on trash containers. Alderman O’Kane would like to see notes pertaining to solid waste on the sewer bill. Mayor Williams stated there is a need for a Community Relations Administrator to handle various public information matters.

#14...CLOSED SESSION was not needed.

#15...ADJOURNMENT
There being no further business to discuss, the meeting was adjourned by acclamation at 7:17 p.m. following a motion by Alderman Pickering and a second by Alderman McMahon.

Lisa K. Monson, City Clerk

I, Lisa K. Monson, City Clerk of the City of Danville, Illinois, do hereby certify that the foregoing Minutes are a true and correct copy of the regular meeting held January 5, 2021, as the same appears on the records of the City now in my custody and keeping.
