#1. **THE REGULAR MEETING** of the City Council of the City of Danville was called to order at 6:08 p.m. by Mayor Rickey Williams, Jr. at the Robert E. Jones Municipal Building, 17 W. Main Street, Danville, Illinois.

[Due to Coronavirus, COVID-19 the meeting was conducted in a combination of in person and virtual attendance via Zoom video stream to maintain social distancing as required per the Governor's Executive Order 2020-10.]

**THE ROLL CALL** was answered by Mayor Rickey Williams, Jr. [physically present]. Elected Officials Present via Videoconference were Vice Mayor Bob Iverson, Aldermen Brenda Brown, Steve Foster, Sharon McMahon, Michael O’Kane, Sherry Pickering, James Poshard, Michael Puhr, Tom Stone, Rick Strebing, Aaron Troglia, and Robert Williams. Aldermen R.J. Davis and Dan Duncheon were absent. A quorum was present.

Staff Members Physically Present: City Clerk Lisa Monson, Information Technology Administrator Agnel DSilva, and Information Technology Assistant Administrator Aaron Weaver.

Staff Members Present via Videoconference: City Comptroller Ashlyn Massey, City Engineer Sam Cole, Corporation Counsel Charles Mockbee IV, Grants & Planning Manager Logan Cronk, Human Relations Administrator Sandra Finch, Fire Chief Don McMasters, Police Chief Chris Yates, Public Transportation Director Lisa Beith and Public Works Director Carl Carpenter.

Various members of the public and media joined the electronic meeting via YouTube live video streaming.

#2. **INVOCATION** was given by Alderman Brenda Brown, followed by
#3. **THE PLEDGE OF ALLEGIANCE** led by Mayor Williams.

#4. **THE MINUTES** of the regular meeting held, October 6, 2020, having been published and distributed, were presented. Alderman Stone moved for approval as presented, seconded by Alderman Brown. On the voice vote, all ayes, no nays; the motion so ordered.

#5. **THE AGENDA** for the evening was presented. Alderman Pickering moved for approval as amended, seconded by Alderman Troglia. On the voice vote, all ayes, no nays; the motion so ordered.

#6. **MAYOR’S REPORT**
#6-A. Proclamations – None
#6-B. Board/Committee Appointments – None
#6-C. Reports of Boards, Agencies, Commissions – None
#6-D. Items of Information
   - Mayor Williams announced Pastor Thomas Miller has been hospitalized with COVID-19 and asked everyone to keep him and his family in prayer.
   - Mayor Williams also asked for prayers for anyone who has lost someone in the community from COVID-19 complications.
   - Mayor Williams reminded everyone to follow the social distancing guidelines.
#8...ZONING PETITIONS
Mayor Williams presented Items A and B together. There being no objections to taking Items A and B together, Alderman Brown moved to dispense with the readings and asked for approval, seconded by Alderman Foster. The Danville Area Planning & Zoning Commission, after conducting a public hearing on Thursday, October 1, 2020 recommended approval of both petitions by a vote of 4-0 with three absent. Those items being:

#8-A...ORDINANCE NO. 9286, Amending Zoning Ordinance and Map and Approve Rezoning Petition #280 for Petitioners Edward Clark, Vincent Clark, and Sheila Clark by changing the classification of the subject tract for 701 and 703 E. Williams Street from LI Light Industrial to B1 Neighborhood Business District to allow for a convenience store/variety store to be located on the parcels; and

#8-B...ORDINANCE NO. 9287, Amending the Zoning Ordinance and Map to Approve Special Use Permit #245, for Petitioners Edward Clark, Vincent Clark, and Sheila Clark to allow for use as a convenience store/variety store on the properties commonly known as 701 and 703 E. Williams.

Alderman Brown voiced concern with the sale of liquor at the convenience store as the store will be located in a residential neighborhood and feels it could cause violence from individuals sitting in the parking lot drinking and kids pass there going to school. There is language in the business plan that stated liquor would be sold at the store. Manager Cronk stated he spoke to the Petitioners and advised them they could not sell alcohol and stated the business plan attached to the petition is not the actual application itself so what is being approved is the "use"; not the attachment to the Petition. After further discussion, Alderman Brown moved to amend the Ordinance in Item 8-B to state the following condition: 1) Prohibit the sale of alcoholic beverage or package liquor as Chapter 96.23 of the City Code states “Sale of Liquor at Gasoline Stations and Convenient Stores is Prohibited.”, seconded by Alderman Foster. There being no further discussion on the motion to amend, the roll call vote being:

Ayes: Aldermen Strebing, Puhr, Foster McMahon, Brown, Poshard, Stone, Williams Troglia, Pickering, O’Kane, Iverson
Nays: None
Absent: Aldermen Davis, Duncheon
Motion carried 12 to 0 with 2 absent.

Alderman Williams voiced concern with the sale of tobacco at the convenience store in a residential neighborhood. After further discussion, Alderman Williams moved to further amend the Ordinance in Item 8-B to prohibit the sale of tobacco or any kind of tobacco products defined in Chapter 123 of the City Code at the location of the proposed convenience store/variety store, seconded by Alderman Brown. There being no further discussion on the motion to amend, the roll call vote being:

Ayes: Aldermen Brown, Stone, Williams
Nays: Aldermen Puhr, Foster, McMahon, Poshard, Troglia, Pickering, O’Kane, Iverson, Strebing
Absent: Aldermen Davis, Duncheon
Motion failed 3 to 9 with 2 absent.

There being no further questions or discussion, the roll call vote on the Ordinance 8-A as presented and Ordinance, Item 8-B as amended in the first amendment being:

Ayes: Aldermen Foster, McMahon, Brown, Poshard, Stone, Williams Troglia, Pickering, O’Kane, Iverson, Strebing, Puhr
Nays: None
Absent: Aldermen Davis, Duncheon
Motion carried 12 to 0 with 2 absent.
#9... PAYROLL
Mayor Williams presented the Payrolls, having been published, posted, and distributed, for run of October 9, 2020, of $555,899.54, and for run of October 16, 2020, of $76,470.83. Alderman Stone moved to dispense with the readings and asked for approval as presented, seconded by Alderman Troglia. There being no questions or discussion, the roll call vote being:
Ayes: Aldermen McMahon, Brown, Poshard, Stone, Williams Troglia, Pickering, O’Kane, Iverson, Strebing, Puhr, Foster
Nays: None
Absent: Aldermen Davis, Duncheon
Motion carried 12 to 0 with 2 absent.

#10... SCHEDULE OF VOUCHERS PAYABLE
Mayor Williams presented the Schedule of Vouchers Payable, having been published, posted, and distributed for special run of October 8, 2020, of $49,493.00, for run of October 13, 2020, of $2,664,276.62, and for run of October 20, 2020, of $1,028,012.68. Vice Mayor Iverson moved to dispense with the readings and asked for approval as presented, seconded by Alderman Stone. After all questions were addressed, the roll call vote being:
Ayes: Aldermen Brown, Poshard, Stone, Williams, Troglia, Pickering, O’Kane, Iverson, Strebing, Puhr, Foster, McMahon
Nays: None
Absent: Aldermen Davis, Duncheon
Motion carried 12 to 0 with 2 absent.

#11... PUBLIC WORKS COMMITTEE REPORT
Chairman Puhr presented Items A, B & C together, moved to dispense with the readings and asked for approval as recommended by Committee. There being no objections to taking Items A, B, & C together, it was seconded by Alderman Strebing. Those items being:
#11-A... ORDINANCE NO. 9288 amending Terms of Electric Franchise Agreement with Ameren Illinois Company dba Ameren Illinois in Section 6 of the Electric Franchise Ordinance, expiring August 9, 2042, to amend the terms to compensate the Municipality in the amount of $275,520 annually, payable in monthly payments of $22,960 commencing within 30 days of Acceptance of Ordinance, in lieu of the 60% discount on street lights; and
#11-B... RESOLUTION NO. 2020-94 authorizing Agreement for Provision of Electricity for City-Owned Buildings and Facilities, the current lowest bid determined to be in the best interest of the City was submitted by Homefield Energy in the amount of $0.04583 ($0.04770) per kWh and for a term of twenty-four (24) months. The kWh rate is subject to change based on the fluctuation in the energy market; and
#11-C... RESOLUTION NO. 2020-95 authorizing Agreement for Provision of Electricity for City-Owned Streetlights, the current bid determined to be in the best interest of the City was submitted by Homefield Energy in the amount of $0.03369 ($0.03409) per kWh and for a term of twenty-four (24) months for 10 accounts and $0.03369 ($0.03409) per kWh and for a term of twenty-two (22) months for two accounts. The kWh rate is subject to change based on the fluctuation in the energy market. Alderman Stone asked for the total streetlight budget and Comptroller Massey responded she does not have it separated out by streetlights and only has the total electric bills, but she could get the total for him. Alderman Stone asked if the streetlights are taken out of the Streets budget and Comptroller Massey responded “not necessarily” as it depends on where they are located. Mayor Williams stated Mr. McMorris provided a number of total amount that the City has been spending on street lights, which we can receive a discount and we have not been receiving the maximum discount. Jerod McMorris, Energy Consultant with Good Energy LP, stated when we looked over the bills from the City, we discovered there were approximately 12 street light accounts that were under the City's...
current commercial billing and were not receiving a discount from the Ameren franchise agreement so those were moved under special pricing and all but two were receiving the discount on the program. They were small in usage, with the exception of two accounts. Chairman Puhr asked Mr. McMorris to clarify his recommendation as it was mentioned in Committee. Mr. McMorris recommends not going over two years at this point. Director Carpenter stated the line item in the Streets Division budget under Electricity is $305,000 for the year and the City is spending roughly $23,000 to $24,000 monthly. Comptroller Massey clarified the $305,000 would be just for the Streets Division budget. She stated eleven of the twelve accounts Mr. McMorris referred to come from the Streets Division with the twelfth account coming from DMT. Alderman Stone questioned if maintenance of the streetlights is effected by the contract. Mr. McMorris responded the ordinance for the franchise agreement only changes the discount over to cash and does not change other items in the agreement that Ameren is responsible for. After all questions were addressed and there being no further discussion, the roll call vote being:

Ayes: Aldermen Poshard, Stone, Williams, Troglia, Pickering, O’Kane, Iverson, Strebing, Puhr, Foster, McMahon, Brown
Nays: None
Absent: Aldermen Davis, Duncheon
Motion carried 12 to 0 with 2 absent.

#11-D...Chairman Puhr presented RESOLUTION NO. 2020-96 approving Contingency Payment and Authorizing Budget Amendment in Finance (011) submitted by Azavar in the amount of $32,857.98. The Fiscal Year 2020-2021 Annual Budget shall be amended and Finance line Item 001-011-00-52106 Azavar Contingency Payments will be created, to be funded, $35,614.52, from the General Fund Reserves. Funds for the contingency payment shall be paid for with line item 001-011-00-52106 Azavar Contingency Payments, moved to dispense with the reading and asked for approval as recommended by Committee, seconded by Alderman Brown. There being no questions or discussion, the roll call vote being:

Ayes: Aldermen Poshard, Stone, Williams, Troglia, Pickering, O’Kane, Iverson, Strebing, Puhr, Foster, McMahon, Brown
Nays: None
Absent: Aldermen Davis, Duncheon
Motion carried 12 to 0 with 2 absent.

#11-E...Chairman Puhr presented RESOLUTION NO. 2020-97 approving Intergovernmental Agreement with Danville Sanitary District for providing transfer of the District’s Collection System Assets to the City, except for its interceptor sewers and Publicly Owned Treatment Works, moved to dispense with the reading and asked for approval as recommended by Committee, seconded by Alderman Pickering. Chairman Puhr stated Engineer Cole sent out details to the Aldermen on the transfer last week. Alderman O’Kane stated he and Engineer Cole went over some numbers and he has changed his mind and will be able to support the resolution. He stated it is not perfect, but better than he first envisioned. Chairman Puhr stated the City has been collecting money for sewers and other things that Danville Sanitary District owned and they were not receiving any type of funding for that so that is what made this more palpable in taking them over. There being no further questions or discussion, the roll call vote being:

Ayes: Aldermen Poshard, Stone, Williams, Troglia, Pickering, O’Kane, Iverson, Strebing, Puhr, Foster, McMahon, Brown
Nays: None
Absent: Aldermen Davis, Duncheon
Motion carried 12 to 0 with 2 absent.
#11-F...Chairman Puhr presented RESOLUTION NO. 2020-98 approving Extension of Franchise Agreement with Comcast of Illinois/Indiana/Ohio, LLC from November 1, 2020 to January 31, 2021, which amends Section 2.2 of the Franchise agreement, moved to dispense with the reading and asked for approval as recommended by Committee, seconded by Vice Mayor Iverson. There being no questions or discussion, the roll call vote being:
Ayes: Aldermen Stone, Williams, Troglia, Pickering, O’Kane, Iverson, Strebing, Puhr, Foster, McMahon, Brown, Poshard
Nays: None
Absent: Aldermen Davis, Duncheon
Motion carried 12 to 0 with 2 absent.

[Alderman Williams left the meeting at 7:16 p.m. during presentation of the next item due to connectivity issues.]

Chairman Puhr presented Items G & H for a single vote. There being no objections for approval of both, Chairman Puhr moved to dispense with the readings and asked for approval as recommended by Committee, seconded by Alderman Strebing. Those items being:
#11-G...RESOLUTION NO. 2020-99 approving Downtown TIF RIP (Redevelopment Incentive Program) Grant Application from Danville Renaissance Enterprises for the rehabilitation of the properties located at 119-123 N Vermilion Street with Danville Renaissance Enterprises being awarded 25% of the total project costs not to exceed $50,000.00 and to be paid from 122-122-00-54109, Downtown TIF Fund-RIP Grants budget; and
#11-H...RESOLUTION NO. 2020-100 approving Budget Amendment in Downtown TIF District Fund (122) necessary to award the grant funds once the project is completed. The FY 20-21 CDBG Fund (106) budget be amended as follows: Expenditure: Increase Line Item 122-122-00-54109 – TIF-RIP Grants by $20,000.00 with funds for the amendment to come from the Downtown TIF cash reserve account. A Line Item Transfer will be executed within the Down TIF Fund (122) to pay for the remainder of the awarded grant.
Mayor Williams stated Gordon Thoennes, one of the partners in the project is in attendance and is available for questions. Chairman Puhr stated during Committee meeting there was some confusion on the individuals who make-up of Danville Renaissance Enterprises. Mr. Thoennes stated there is Peter Blackmon, Rob Black, Jack Walsh, Joe Sermersheim and himself. Alderman Puhr stated the original application is for $104,000.00 which is 50% of the project and the ordinance accepts up to $50,000 that is why the $50,000 is there. Manager Cronk stated there is a TIF policy that limits all grants in all TIF Districts to $50,000. There being no further discussion or questions, the roll call vote being:
Ayes: Aldermen Troglia, Pickering, O’Kane, Iverson, Strebing, Puhr, Foster, McMahon, Brown, Poshard, Stone
Nays: None
Absent: Aldermen Davis, Duncheon, Williams
Motion carried 11 to 0 with 3 absent.

[Alderman Williams returned to the meeting at 7:18 p.m. during discussion of the next item.]

#11-I...Chairman Puhr presented RESOLUTION NO. 2020-101 awarding Bid #662 for Outdoor Lighting Equipment for Historic Ellsworth Park Redevelopment Project, awarded to Springfield Electric in the amount of $24,812.50, to be paid from the City of Danville Parks & Public Property Budget line item Materials to Maintain Other Improvements 051-53013, moved to dispense with the reading and asked for approval as recommended by Committee, seconded by Alderman Strebing. There being no questions or discussion, the roll call vote being:
Ayes: Aldermen Troglia, Pickering, O’Kane, Iverson, Strebing, Puhr, Foster, McMahon, Brown, Poshard, Stone, Williams
Nays: Aldermen None
Absent: Aldermen Davis, Duncheon
Motion carried 12 to 0 with 2 absent.

[Alderman McMahon left the meeting at 7:22 p.m. during discussion of the next item due to connectivity issues.]

#11-J...Chairman Puhr presented RESOLUTION NO. 2020-102 approving Purchase of 2019 Dump Truck, proposal submitted by Rahn Equipment for the purchase of one HINO Model #268A cab and chassis, with a 10 foot Henke dump bed, and a 10 foot Western snow plow truck, in the amount of $113,282.00 including delivery, to be paid from Solid Waste Funds in line item 405-55016, Other Capital Equipment, moved to dispense with the reading and asked for approval as recommended by Committee, seconded by Alderman Strebing. Director Carpenter stated the last two dump trucks they have purchased were in the $240,000.00 range, so this one is a mid-size range and its gross vehicle rating will be under 26,000 pounds, which means that if we have auxiliaries that are available to drive it during the summer we could actually have one of them driving it instead of somebody with Class B license, because that comes under Class B weight limit. It will still haul 5 tons payload and it will have lower sides on it so we can load the street sweepers a lot easier and this unit actually has the tightest turning radius of any dump truck on the market, and we will be able to plow with it during the winter months. We will see this used all year round for sweeping, illegal dump clean ups, as well as snow removal in the winter. Chairman Puhr stated this is from a local vendor that is very service oriented. There being no questions or further discussion, the roll call vote being:
Ayes: Aldermen Pickering, O’Kane, Iverson, Strebing, Puhr, Foster, Brown, Poshard, Stone, Williams, Troglia
Nays: Aldermen None
Absent: Aldermen Davis, Duncheon, McMahon
Motion carried 11 to 0 with 3 absent.

#11-K...Chairman Puhr presented RESOLUTION NO. 2020-103 awarding Bid #661 for Purchase and Installation of Reconditioned Transit Engine, in the amount of $56,366.38 for reconditioned engine to Cummins Crosspoint in Normal, Illinois, to replace Danville Mass Transit 2011 Gillig low floor transit bus engine, funds for this purchase shall come from 113-113-21-53015 Materials to maintain vehicles and 113-113-21-52015 Maintenance of Vehicles, moved to dispense with the reading and asked for approval as presented, seconded by Alderman Strebing. Chairman Puhr asked if this was the bus that was involved in an accident, Director Beith replied no that bus was a 2016. There being no further questions or discussion, the roll call vote being:
Ayes: Aldermen O’Kane, Iverson, Strebing, Puhr, Foster, Brown, Poshard, Stone, Williams, Troglia, Pickering
Nays: Aldermen None
Absent: Aldermen Davis, Duncheon, McMahon
Motion carried 11 to 0 with 3 absent.

#11-L...Chairman Puhr presented ORDINANCE NO. 9289 waiving requirements of Section 30.07 and authorizing Purchase of Real Property from the Vermilion County Trustee in conjunction with its Public Auction of Surplus Real Estate for a minimum bid price of $800.00 with a recording fee of $50.00, represents an amount that reimburses the Trustee for the closing costs to place the property in the auction, for the following address: Edgewood Park Circle, PIN: 23-03-202-037 for road closure, to be paid for from line item 310-310-00-54177, Community Reinvestment Fund-Community
Investment budget, moved to dispense with the reading and asked for approval as recommended by Committee, seconded by Alderman Strebing. There being no questions or discussion, the roll call vote being:

Ayes: Aldermen Iverson, Strebing, Puhr, Foster, Brown, Poshard, Stone, Williams, Troggia, Pickering, O’Kane

Nays: Aldermen None

Absent: Aldermen Davis, Duncheon, McMahon

Motion carried 11 to 0 with 3 absent.

#11-M...Items of Information

Director Carpenter stated he wanted to remind everyone that we are picking up all the yard waste and we have started sweeping on Monday and so you’ll see those sweeping all the leaves up for the next couple months. We should be able to get all the leaves picked up this year, with hopefully two passes. We’ll continue on to demolitions as well and we’ve almost made it through the round of CDBG money that was allotted to us this year, and right now we’re currently out on Cannon Street doing four houses there, and then I believe we have a couple left to do towards the center section of town and then the CDBG money for this year will be finished with. We do have more having coming next year and we’ll continue as long as there are houses to demolish. We opened Public Works back up on Monday [October 19th] to the Public and as I have mentioned before we have the sprayer and have continued to use that and sanitize the entire building as well.

[The next Public Works Committee meeting will occur by videoconference on Tuesday, November 10, 2020 at 6:00 p.m.]

#12-A...Items of Information

Chairman Foster announced the next Public Services Committee meeting will occur by videoconference on Tuesday, October 27, 2020 at 6:00 p.m.

#13...STUDY SESSION ON PROPOSED 2020 TAX LEVY AND FISCAL YEAR 2021-2022 BUDGET

Mayor Williams stated we will be meeting next week with some of the business owners about upcoming sewer projects and upgrades that are pending in the City of Danville. Engineer Cole stated the dates for the upcoming meetings regarding sewer projects will be next Tuesday, October 27th at 10:30 a.m. and then October 28th at 1:30 p.m. So the business owners are able to RSVP by contacting our office to indicate if they want to attend so we’re happy to talk with them and answer any questions they might have about the letters they’re received regarding our needs in the sewer system and how we’re going to fund them. Alderman O’Kane asked if we have heard from the County Assessor’s Office yet regarding the EAV [equalized assessed value]. Mayor Williams replied we are looking at a 1.02% increase that’s why we projected in the initial levy amount. If there are any changes we’ll make sure to let you know right away. The comptroller shared with me today the cannabis revenue for the second month exceeded our projections by over $20,000.00 so we will be keeping any eye on that as well and if it continues to trend in that way we might be able to up some of the revenue on that line item and then transfer less of the money from the general fund to help offset property taxes. There will be some minor changes to insurance, once we have the final enrollment numbers next month Comptroller Massey will adjust those and other than that the other thing we are hoping for is that maybe we’ll get one more update from the IML regarding potential increases and projections regarding sales tax and home tax and other revenues. We will continue as is and then once we get some of those updates we will present you with another draft at the beginning of next month and then we’ll continue to proceed from there.

#14...ITEMS OF INFORMATION

- Mayor Williams stated he just had some conversations with Danville Development, the public
often refers to them as Wilmorite, we do not have their application in hand yet and there’s actually a very good reason. Mr. Mervis and the zoning committee had concerns about traffic counts and how adding an intersection there coming off of Lynch Road onto Eastgate Drive would affect traffic. So they are Vice Chairman McMahon finishing up the study for that right now so they can tell us and the IGB exactly how they expect traffic to be impacted as part of their complete package. We wanted to make sure had that final component before they actually submitted anything because I think the IGB will also ask the question of how traffic will be impacted. I should have that by the end of the month and when I do I’ll let know and begin the review so we’ll be passing that along to the Chairman for intensive review as well.

- Mayor Williams also stated that Director Carpenter has said that we’ve made some major progress on a lot of our demolitions and we have been clearing up a lot of our neighborhoods and I’ve had a number of calls and emails from citizens that are very appreciative that we’re removing the blight and I think the biggest thing is that people have seen is that the old oil change place on the northwest corner of Fairchild and Vermilion Street in Ward 5 is gone and people have noticed how much better it looks with all that blight gone. We’re hoping that will bring in more interest and hopefully get good news that new businesses want to go in there.

- Mayor Williams stated that regarding the Northwest Pump Station and Northwest sewer and road replacement we were waiting on updates on receiving our actual award letter from the Illinois EPA and we have received that today and the good news is they are going to loan us just under $7.1 million dollars, which we project is a little bit more than we actually need and they are going to forgive just shy of $2.1 million of that loan, so that means it will only cost the citizens of Danville for the sewer portion directly $5 million dollars instead of the more than $7 million we were initially projecting. I want to congratulate Director Carpenter, Engineer Cole, Assistant Engineer Childers and all their staff that did a great job to make that possible.

- Vice Mayor Iverson asked when the starting date would be for some of the work regarding the sewer projects. Engineer Cole replied that we have some drawings and background started with the contractor but it’s really up to them and they’ll have 340 calendar days from the time the formal contract is executed to get the project done. We should see significant action within the next month but that’s really up to them, but I suspect they’ll be working all winter. Mayor Williams added that he has also received the question several times on whether or not the bridge will be closed, and we expect to have at least one lane of traffic open always however there may be brief periods where we would have to close both lanes but again we hope to keep them very brief. Alderman Stone asked if there’s a limit to the number of days the closure could be and Engineer Cole replied he believes we have allowed them to have a single closure of 48 or 72 hours and we requested that be on a weekend, and that’s particularly related to sewer work that has to be done in Denmark Road around the Gao Grotto area because of how we have to cross the road there. Like all projects we think that’s how it will go and we hope that’s how it will go but that’s what we have allowed them contractually to do.

- Alderman Puhr reminded everyone to send their section 5.3J concerning any conversations about the casino to Corporation Counsel Mockbee, I wasn’t aware that it included any period from January till now but make sure you get those in because there have been some Freedom of Information Act requests soliciting conversations that Aldermen have had regarding that so make sure you get those turned in.

- Alderman Foster stated that he recently wrote a summary of rules and what’s expected of Aldermen that are currently seated or for any Aldermen that wish to run in the future and I’m going to send it to the Commercial News for publication, but I will be sending a copy out to all of the Aldermen and the Mayor. I’m not trying to anger anyone but I’m just trying to say this is how I think we should be qualified and know what we need to do when we run. I hope this will reach some of you and have some permanent consideration on you.

- Alderman Williams stated that Channel 3 will be covering Danville in an our town segment and
does anyone know what that’s about. Mayor Williams replied that he was informed of one or two things that will be discussed but the rest they said were going to be a surprise but every night they will be highlighting some story on WCIA during the 6:00 p.m. broadcast they will be highlighting some portion of Danville and what’s good in Danville. I think this Friday it’s going to be at 5:30 p.m. and they will have a half hour segment featuring all the different pieces they’re covering in Danville. Every night during the 6:00 p.m. and 10:00 p.m. news they will have a brief segment about Danville and then on Friday they will have 30 minute show of everything. I’m really looking forward to it and thank you Alderman Williams for that reminder.

#15... CLOSED SESSION was not needed

#16... ADJOURNMENT
There being no further business to discuss, the meeting was adjourned by acclamation at 7:43 p.m. following a motion by Alderman Pickering and a second by Alderman Stone.
