

*The health of our environment and the future of Danville is better when the City, its residents, businesses, employees, and visitors all make a difference together.*

# PREVENTING POLLUTION

STORMWATER SOLUTIONS

## DANVILLE DEPT. OF COMMUNITY DEV.

1155 E Voorhees Street, Suite A  
Danville, IL 61832  
217-431-2321

Email: [stormwater@cityofdanville.org](mailto:stormwater@cityofdanville.org)

## *HOW POLLUTION AFFECTS YOU*

Chemicals, trash, debris, eroded soil, and other sources of pollution can flow into drains when it rains - causing pollution in Danville's creeks and Lake Vermilion, or clogging the drains causing flooding.

We can all do our part to help prevent polluted runoff and nuisance flooding!

*“Water is the most critical resource issue of our lifetime and our children’s lifetime. The health of our waters is the principal measure of how we live on the land.” ~ Luna Leopold*

## *SEE THE WEBSITE*

Visit our stormwater page to learn what Danville is doing to help reduce pollution in our City and how you can help. From this website you can navigate to all our stormwater pages and connect to engineer and community development pages. See [www.cityofdanville.org/stormwater](http://www.cityofdanville.org/stormwater)

## *WHAT CAN YOU DO?*

What can you do to prevent pollution and protect nature? A whole lot! Visit the website for information on recycling, planting trees and raingardens, salt/de-icing, e-waste, paints, oils and other household chemicals, dog waste cleanup, community cleanups, and much more!

---

## *RESOURCES*

The website offers an overview of our stormwater management program, the City's comprehensive stormwater plan, information on state permits, site design and erosion control, a map of current construction projects, and ways to report pollution, erosion, and illegal dumping.

---

## *CONNECT*

If you want to tell us about pollution, erosion, flooded streets, clogged storm drains, or other environmental concerns, use the OurDanville app, the link on the website, or contact us via the information on the back of this brochure. We are happy to help protect you and our community.
