RE: Update on City Operations as of 03/18/20

In order to ensure the effective operations of the city, all positions with the capacity to work from home will be doing so effective Thursday, March 19, 2020. Essential city services will continue uninterrupted.

As a reminder all city buildings are closed to the public. These would include City Hall, Public Works, all Fire Stations, and Danville Mass Transit, however buses do continue to run.

Should you need assistance, departments remain available by email and phone (noted below).

As of today, we continue to have no confirmed cases in Vermilion County. It is our duty to be diligent in an effort to keep it that way. If you are sick, please stay home. We encourage you to follow best practices outlined by the Illinois Department of Public Health http://dph.illinois.gov/topics-services/diseases-and-conditions/diseases-a-z-list/coronavirus and the Centers for Disease Control https://www.cdc.gov/coronavirus/2019-ncov/index.html.

In this time of uncertainty, I encourage you to be diligent yet remain calm. I appreciate your flexibility and will continue to update you as more information becomes available.
