### System Map & Time Table

#### BikeLib.org

The images of BikeLib.org show the extensive bike network in the area, highlighting the availability of bike-sharing stations, bike lanes, and other bike-friendly infrastructure. The map provides a visual guide for cyclists to navigate the city efficiently, ensuring a safe and enjoyable ride experience.

### Biking on a Path

#### About This Map

The DMT (Danville Metropolitan Bicycle) map is continuously evolving to keep up with the needs of the community. It is designed to inform both new and experienced cyclists about the resources available for a safe and enjoyable ride. The map covers various aspects, including how to load your bike, safety guidelines, and bike-friendly infrastructure.

#### BikeLoading

BikeLoading guidelines are detailed to ensure a smooth and safe experience for cyclists. The map provides instructions on how to load and unload bikes efficiently, avoiding any potential hazards and ensuring the comfort of all users.

#### Illinois Bicycle Laws

The map includes a comprehensive overview of Illinois Bicycle Laws, highlighting the rights and responsibilities of cyclists. This information is crucial for both cyclists and drivers to understand the rules and ensure safe interactions on the road.

#### Sidepath & Road Bicycling

The sidepath and road bicycling sections of the map provide detailed guidelines for cyclists riding on the sidepath and road. The map includes information on the correct use of the sidepath, road rules, and how to navigate traffic safely.

#### Communicate

Communication skills are emphasized on the map. The map outlines the importance of effective communication between cyclists and drivers, ensuring smooth interactions and reducing the risk of accidents.

#### Be Seen and Avoid Injury

The Be Seen and Avoid Injury section of the map focuses on the importance of being visible to drivers. The map provides guidance on how to wear appropriate clothing and gear to ensure that you are seen by others on the road.

#### Trail Etiquette

Trail Etiquette guidelines are included to promote a respectful and enjoyable experience for all users of the trails. The map outlines the best practices for sharing the trails with other users, ensuring a safe and enjoyable experience for everyone.

#### Acknowledgments

DMT would like to thank all the individuals and organizations who contributed to the creation of this map. A special thanks goes to the local bike advocates and community members who have dedicated their time and resources to making Danville a more bike-friendly city.

#### System Map & Time Table

The System Map & Time Table provides a clear layout of the bicycle network, including bike lanes, bike-sharing stations, and other cycling infrastructure. It is designed to be user-friendly, allowing cyclists to easily navigate the city and access the various cycling resources available.

#### DMT: Danville Metropolitan Bicycle

DMT is a non-profit organization committed to promoting cycling as a sustainable and enjoyable form of transportation. The organization works to develop and maintain bike-friendly infrastructure, ensuring a safe and enjoyable riding experience for all.
